Morton To Talk To GOP

Republican National Chairman Rogers C. B. Morton will address Lake County Republicans May 27. He will headline a fund-raising dinner of the Lake County Republican Federation at the Lake County Fair Grounds, on Rte. 45 just north of Route 120 at Grayslake.

The 7:00 p.m. dinner will be preceded by a reception at Brae Loch Country Club. Federation President Gordon H. Smith and Republican County Chairman Robert J. Milton hailed the event as a "terrific stimulus" in raising funds for the 1970 GOP drive in Lake County. Robert D. Stuart, Jr., Republican National Committeeman from Illinois arranged Morton's appearance.

Morton is serving his fourth term as member of Congress from the 1st District of Maryland and is a brother of former Sen. Thruston Morton of Kentucky, who himself was chairman of the Republican Committee from 1959 to 1961.

Rogers Morton was born in Louisville, Ky., and is a 1937 graduate of Yale University.

He enlisted in the U.S. Army in World War II, rising to the rank of captain in the field artillery. According to Smith, he is a farmer-businessman with wide experience in business management and labor relations. At

Grade School Band To Compete At Avon

The Antioch Grade School senior band will participate in the state contest at 5 p.m. Saturday at Avon Center School.

A banquet will be held at the Bristol Oaks Country Club at 6:30 p.m.

The band made the state contest by winning a First Division rating in previous competition.

Daniel, Haley Win School Board Posts

Richard Daniel and Thomas Haley III were the winners in the recent election to fill two three-year terms on the St. Peter's Board of Education.

They join board members Irv Carey, Bob Gross, Bob Venn, Jimmie Quedenfeld and Mrs. Shirley Gutowski.

McClory To Talk On 'Pollution'

Congressman Robert McClory, R-Lake Bluff, will speak at noon Friday, April 24 in Lorenz Smart Country House to a meeting of the Antioch Chamber of Commerce.

McClory will talk on "Pollution."

VOL. LXXXIV, NUMBER 44

Village Board Grants Zoning For Apartments

A zoning variation was granted Robert L. Knourek to enable him to construct a six unit apartment building at 661 N. Main St., Monday by the Antioch Village Board.

The board took the unanimous action after hearing from the Zoning Board of Appeals which conducted a public hearing April 13 on the petition to rezone the property from R-2 single family to R-5 multiple family.

The ZBA voted 5 to 0 to grant the petition on the basis that it will eliminate an existing old structure and that the variation will bring additional revenue to the village and state coupled with enhancing the beauty of the neighborhood.

Village Mayor Raymond Toft assured residents that the village make certain that Knourek plans will conform to the village building code and to avoid possible flooding of neighboring properties.

The trustees learned that Knourek wants to start building the apartment units on May 1. It was announced that he would charge \$225 a month for each of the six two bedroom apartments to be located in the structure.

Electric utilities would be provided in the building.

In other developments at Monday night's meeting, the trustees agreed to extend its sewer and water lines south on Rte. 83 to allow for any possible expansion of the village in that direction.

Trustee Vern Barnstable said the water line will run about 750 feet from the Colonial Apartments to Margate Terrace owned by Art Meyers.

The sewer line, according to Barnstable, will extend about 300 feet south beginning at the Lutheran Church and ending at Margate Terrace.

Barnstable said that M&S Construction Co. of Geneva will install the sewer and water lines on the west side of Rte. 83 at a cost of \$7,800 which the five other trustees approved.

He said that Meyers will pay the village \$4,150 which includes the sewer and water hook up fee, for the service on the two utilities.

The agreement approved by the

trustees provides that Meyers will annex to the village when his five lots become contiguous to the village or else his water and sewer service will be curtailed.

"If we don't go with the sewer and water lines to the south, it could stop our growth in this area," Mayor Toft warned.

The trustees were concerned about the added \$4,000 which the village will have invested in the area with sewer and water lines and whether the village could recover the money.

Barnstable said he thought it was possible to recoup the money from property owners in Antioch Hills and those on Rte. 83, should they want to be annexed to the village.

Barnstable said he and other city officials had visited a sewage disposal plant which has been put up for sale for \$35,000 and has a capacity to serve 1,100 homes.

"The only thing is I don't know what it would cost to dismantle the plant and haul it and reassemble it in Antioch," Barnstable said. "These are the estimates we are preparing now."

Barnstable said to build a plant to serve 1,000 families would cost \$250,000.

Negotiation Impasse

After almost thirty hours of meeting, professional negotiations between the Antioch Community High School Education Association and the Board of Education have reached an impasse.

The Board Negotiating Team members are Dr. Albert Bucar, Chairman, Robert Denman and August Costoff, Antioch Community High School Negotiating Team members are Charles L. Lindholm, Chairman, James Corrigan and Kenneth Wierschem.

At the eighth meeting held Thursday, April 2, 1970, the negotiating teams were unable to reach agreement.

Under the terms of the existing Professional Negotiation

(Continued on page three)

He said the plant, should the village decide to buy it, would be installed northwest of the present plant.

Barnstable did not mention the location of the plant that was for sale.

The trustees gave the Antioch Little League permission to construct fencing to enclose its outfield at its ball park.

The American Legion of Antioch was granted a permit to operate a carnival June 29 to July 5.

Three Class A liquor permits, each costing \$500, were issued to Thompson's Bar and Grill, 933 Main St.; Weasel's Lounge, 899 Main St., and Mr. Ed's Tavern, 911 Main St.

Class AA permits, costing \$600 each, were issued to The Office at 912 Broadway, and Smiley's

Corner, at Rtes. 59 and 173. The AA entitles each tavern to stay open one hour longer during the week.

Package liquor store licenses were granted the A&P Food Store and Foremost Liquors, 484 Orchard St., at a cost of \$400 for each permit.

Pay-Less Super Mart at 401 Lake St., and Jewel Food Store, 426 Lake St., were given Class G permits to sell beer only. A beer permit costs \$300.

The Moose Lodge at 884 Main St. was given a club permit for \$100.

Water mains will be flushed on Main Street for a two week period, starting April 28, it was announced at the board meeting.

The village treasurer was authorized to invest \$100,000 of vil-

lage funds with the First National Bank of Antioch for one year beginning May 1 at an interest rate of 7.5.

The treasurer also was allowed to purchase \$50,000 in treasury notes. The money is in the mortgage fund.

Trustees authorized the treasurer to invest an additional \$105,000 with local financial institutions or in treasury notes whichever provides the best interest return.

A street light was approved at Hillside Avenue, east of Rte. 59, near the Lutheran Church.

Signs were ordered installed on Main, Lake and Broadway guiding automobile drivers to the municipal parking lot.

May 11 to 16 was designated as clean up week.

32 Boys Left In Vietnam

Chester Golonka of the Antioch Post Office Project Vietnam reports that we still have 32 boys over there.

He also asks that anyone who knows of any boys just recently returned from Vietnam please contact him and let him know as three packages from the last mailing were returned to us and this is a large waste of items and money for postage.

Recent donors to the project: Mr. and Mrs. E. Olson, Mr. and Mrs. F. Wais, Mr. and Mrs. W. Zmuda, Mr. and Mrs. W. K. Hills, Mr. and Mrs. D. Cramer, Mr. and Mrs. W. Kiehl, King's Drug Store, Slow's Hobby Barn, Anna Zalatoris, Mrs. Elaine Wojnowiak, Mrs. R. Hart.

Kennedy To Talk To AARP

The Antioch Area Chapter 387 of the American Association of Retired Persons will have their regis-

Kennedy

ular meeting on April 28 at which John J. Kennedy, insurance consultant for the AARP will explain and evaluate the various insurance plans available to older persons.

(Continued on page three)

Turn Clocks Ahead

At 2 a.m. Sunday Illinois residents turn their clocks ahead one hour to go into Daylight Saving Time. But don't worry about losing the hour. You get it back next October.

New Courthouse Is Third Permanent Complex Built

The New County buildings you see on "Courthouse Square" comprise the third permanent Courthouse for Lake County. By an Act of the Legislature, Lake County was formed March 1, 1839. The County Seat was first located at Burlington (Libertyville), however, old records indicate no courthouse was built at Burlington.

On February 17, 1841, the Coun-

ty Seat was moved to Little Fort (the name was later changed to Waukegan) and in September, 1843, a contract was let to Benjamin P. Cohoon, of Racine, for the construction of a Courthouse at a cost of \$3,800. The 40x60 foot structure was completed in 1845. It was destroyed by fire in 1875. The main portion of the second Courthouse was erected in 1878 at a cost of \$40,000 when the pop-

ulation of the County was only 20,000. The present population of Lake County is estimated to be in excess of 400,000. Other additions were made to the building in later years as the function of the County Government expanded. Until recent years it became necessary to move several departments of County Government to other locations (Map Department to Water Street; Planning Depart-

ment to North Genesee St.; Recorder and County Superintendent of Schools to the Title and Trust Building; Health Department to Grand Avenue and others to Libertyville. The 89 year old structure was demolished in 1967 to make room for the new courts building.

The new Courthouse complex occupies the original Courthouse Square bounded by Washington,

Utica and County Streets plus vacated Madison Street and a portion of the adjoining block to the north. The balance of this adjoining block is a city parking lot with the new Municipal Library at the extreme north end. The Civil War Monument is now located immediately east of the Administrative Tower adjacent to the driveway leading to the receiving dock.

Since construction started in early 1965, the Lake County Public Building Commission, which is responsible for construction and maintenance of the complex, purchased the adjoining area to the north for parking space and possible future expansion. This property was purchased from the City of Waukegan at a cost of \$190,000.

The County Building Complex was built in stages. The Administrative Tower was completed and occupied in 1967. It was built at a cost of \$4,500,000. The second phase consists of the Courts section, the County Jail, Plaza and underground parking. The total cost of this phase is estimated at a total of \$7,000,000.

The base of the new building is constructed of rusticated limestone and buff brick. The entire stone and buff brick. The entire complex surrounds a large open plaza which permits the public to walk in and around the adjoining buildings. Under the interior plaza is underground parking for about 75 cars, providing off-street

Trilogy Tracing Development Of Children Donated To CLC

A trilogy by Dr. Arnold Gesell which traces the development of children through the important years of infancy and adolescence has been donated to the library of the College of Lake County by the Lake County Optometric Society.

The Lake County Optometric Society is the local branch of the

state association and encompasses all of Lake County. The society currently has 32 members.

Dr. Earl Townsend of Zion is the current President of the society and Dr. Leo Johnson of Grayslake is the Vice-President.

According to Dr. Hoss, Secretary - Treasurer of the organiza-

tion, "The purpose of the Lake County Optometric Society is to promote among people the importance of sight development in school-age children."

"The society has donated the trilogy to the College for this reason and in recognition of Dr. Gesell's pioneering work in this field."

Dr. Richard Erzen, president of the College of Lake County accepts donation from representatives of the Lake County Optometric Society, Dr. Alfred B. Hoss, secretary treasurer and Dr. H. Eugene Horner, past president.

The completed Lake County Courthouse complex is now open for business.

EDITORIAL

A Good Move

There is a move afoot in the Illinois Legislature to repeal the controversial gun control law passed in 1967.

We applaud that action.

All that the present law has accomplished has been to harass the hunter, the farmer and the law-abiding citizen while stuffing extra money into the state coffers.

The purpose of the law in the first place was to cut down on the crime rate.

This did not happen.

And it will not happen because the criminal is certainly not going to register himself with the state.

The present law would not have been so bad if the guns were registered instead of the people.

But under the law, if you have a minor son who wanted to go hunting, you would have to register yourself — even if you didn't have a gun — before you could sign for your son.

This seems to us to be just a little assinine.

Last year Gov. Ogilvie vetoed a bill that would have repealed the law in all counties but Cook, but we are getting used to the governor vetoing bills that the majority of the public wants.

This present bill would give every county in the state the right to hold a referendum to decide whether the law should be retained within its jurisdiction.

Proponents of the bill are predicting swift approval of the measure by the conservation committee to which it has been assigned.

Easy passage in the House is also predicted.

We hope that the Senate will also give approval to the measure and urge approval of it by the governor even though the Republican leadership had hoped to keep bills bottled up in committee.

Clean Up Time

Now is the time for all good citizens to gather up their litter.

Spring is here, even if the weatherman doesn't know it, and the winter's accumulation of litter makes the area look very unsightly.

But the city fathers are going to rectify that situation.

They have proclaimed the week of May 11 as Clean-up Week in Antioch.

So it behooves all citizens of Antioch to work toward making the town one of the prettiest in the area and this takes a lot of work.

It would help if residents "hit the basket" when they toss litter away and it would also help if everyone had an adequate receptacle to contain the litter.

So gather up the year's accumulation and let us start out the warm season by cleaning up.

GREAT LIONS

Hats off to our Lions Club who will pick up the tab for a permanent chain link fence around the Little League ball field. The youth of Antioch thank you.

MINI TO MAXI COTILLION

This year's cotillion will long be remembered as one of the best. Amette Lubkeman and her committee did a superb job down to the last minute detail. Sharon Simon was stunning in her outfit. There were Grecian dresses, pants dresses, high heels, low heels, you name it. Everyone of the ladies was lovely. We noticed a new red head in the crowd, and someone else with a lovely hairdo we called Goldie Locks. Louise Vos was happy to have her two sisters with her group. Not to be outdone, the men were bedecked in their best bib and tucker, as evidenced by the ruffled shirts, lace cuffs and colorful attire. All in all the food was sensational and the music divine, the people happy... who could ask for more?

Dr. and Mrs. Tom "Sam" Palinski, new in this area, attended the Cotillion and enjoyed themselves so much that they invited many people to their house for a continuation of fun.

ANOTHER SUCCESS

"Wonderful Women of Illinois" program of the Republican Women's Club Luncheon was well attended by many notables. Mrs. Robert Berning, Stephanie Sulth, Robert Skidmore, John Darrow, Mrs. Robert Depke, Mr. and Mrs. Frank Nustra, Jim Flood, Mrs. Hazel Badger who represented Rep. Robert McClory and Mrs. W. C. Petty, and of course, Mrs. James McMillen who presented the program with her usual perfection.

WINS BEST OF SHOW

Grass Lake P.T.A. held a Hobby and Craft show at their April meeting. Mrs. Marie Nemec won the Best of Show award for her hand painted china. There were many lovely items on display.

LAST CHANCE TO REGISTER

Antioch Little League, Minor and Babe Ruth Leagues are holding registration again this weekend. It will be from 10 a.m. to 3 p.m. Saturday, April 25 at the Scout House. Try-outs will be May 3rd and any boy trying out for a team, MUST be registered.

FAMILY AFFAIR

Noticed the family of Mrs. Ruby Vos all pitched in with paint and paper, hammer and nails and remodeling an apartment on Harden Street where she will be living. In addition to this there was a birthday party on Monday for her eleven year old granddaughter, Lisa.

BUFFET, SLIDES AND INTERESTING TALK

Jeet was so interesting at his open house Friday. It's interesting to hear about his country and also entertaining to think of the language gap. Sometimes it proved funny as Jeet himself will admit. Such as the time he

was told to "Hold it" when his "father" was soldering something. He thought it meant keep it there. Another time it was the word "duck" during football practice. He thought duck was a bird. The English language and slang sure is confusing.

GET WELL WISHES

To Kenny Renner, Mrs. Odden and Harry Brehen who are all in Victory Memorial Hospital. We wish you a speedy recovery.

TERRIFIC TRIPS

Pat and Ray Lorenz have just returned from a vacation which took them to Spain and Portugal. Have you seen the beautiful tan that Russell Barnstable is sporting? He just returned from Florida and reported the weather was exactly as ordered.

STORK IS BUSY

There have been a lot of large storks seen hovering over a certain office building downtown. Seems the head stork had to bring in the reserves for the impending baby boom. We also saw him flying north on Main Street.

LISTEN, LISTEN

Joan Larson and Marion Pechousek will be on WKRS Thursday at 1 p.m. to give highlights of their coming Antique Show and Sale at the high school Saturday and Sunday. This is sponsored by the Antioch Woman's Club.

Speaking of the Woman's Club, the ladies were fascinated by their speaker this week and how she was able to make her predictions.

SURE SIGN OF BRIGHTER DAYS

Daylight Saving Time begins this weekend. Remember to turn the clock ahead one hour. (Just one member of the family) Changing the clock.

ANNIE MAE

Linda Attends GOP Meeting In Indiana

Linda Silanoff was among 1200 College Republicans who attended the 19th Annual Midwest College Republican Convention April 10-12 in Indianapolis.

She attended the convention as a delegate from Loyola University.

Keynote speaker for the event, staged in Lincoln Motor Hotel, was Governor Edgar D. Whitcomb. Banquet speaker was Assistant Attorney General William D. Ruckelshaus, and noted author W. Clemon Stone addressed a breakfast gathering.

Convention delegates engaged in political caucuses, committee meetings and discussions, and 10 Midwest Federation officers were elected.

Linda is the daughter of Mr. and Mrs. Sylvester Silanoff, of Antioch.

Moose Club Installation On Saturday

Installation of new officers for the Antioch Moose Lodge will be held at 8 p.m. Saturday in the Antioch Moose Home with Richard Jorgensen as installing governor, Lester Nelson as installing prelate and Henry Grewe as installing sergeant-at-arms.

The new officers include Ronald Polson, governor; John Dupre, junior governor; Bud Anderson, prelate; Raymond Laursen, treasurer; Frank Toman, three-year trustee, and Clayton Ohrwall, one-year trustee.

Appointed officers include Lester Sperling, sgt.-at-arms; Leslie Miller, assistant sgt.-at-arms; Harvey Henry, inner guard; and Maurice Bown, outer guard.

Food, music and dancing will follow the installation ceremonies.

Moose Club Enrolls 6 New Members

Six new members were enrolled in the Antioch Moose Lodge last Saturday in honor of Governor Jerry Kusch.

The new members included John J. Clair, Paul S. Tralowski, Roger Rigby, George Frasier, Charles Lintner and George Block.

Four re-enrollments were also accepted. They were George F. Pahlke, James J. Pearce, John R. Millhouse and Gordon Dillon.

We get out of trouble by working and thinking our way out. Most troubles never happen because most people face them boldly and master them.

Nine From Area Win For Art

Nine Antioch area residents won blue ribbons in the adult division of the Lake County Town and Country Art Show recently concluded at the Lake County Fairgrounds.

Another 10 adults won honorable mention in the competition. Three area Grade School students won blue ribbons in the same show while 8 others received honorable mention.

Taking the blue ribbons in the adult class were Marshall G. Hayden, Antioch; James W. Koopriva, Antioch (2 awards); Adrian Larson, Wildwood; Anders H. Nordling, Lake Villa; Martha L. Orband, Lake Villa; Janet Pachey, Antioch; Judith A. Reidel, Wildwood; Harry C. Shank, Lake Villa; and Franz Swenson, Antioch, 2 awards.

Those receiving honorable mention included Shirley A. Greco and Helen O. Kresiek of Antioch; and Mary Ann Berg, Margaret L. Groves, Mabel V. Hansen, Harry C. Shank (two awards), Barbara Sieman and Patricia Williams, all of Lake Villa.

Grade School blue ribbon winners included Rebecca L. Pecoraro, Lake Villa; David Scarpelli, Antioch, and Diane Tesluk, Wildwood.

Honorable mention in the Grade School class went to Duane Larson, Wildwood; and Vance Holm, Edward W. Pecoraro (two awards), Rebecca L. Pecoraro, Tom A. Vickers (two awards), and Dawn M. Hartmann, all of Lake Villa.

The Civil Service Commission announced recently a 39-year-old veteran — Robert L. Smith, a computer programmer with the VA — as the "Outstanding Handicapped Federal Employee of the Year."

Gov. Richard B. Ogilvie, right, and Marvin Chandler, chairman of Northern Illinois Gas Co., inspect engine in one of Ogilvie's official cars that was recently converted to run on compressed natural gas, as well as gasoline.

Earth Day Observed In Antioch

Earth Day was observed in Antioch High School Wednesday from 3 to 6 p.m. when representatives of industry and government conducted a teach-in.

Appearing were representatives from Abbott Laboratories, the Metropolitan Sanitary District, Commonwealth Edison Co. and the Atomic Energy Commission. An all-day program conducted by the Students for Environmental Awareness will be presented on May 8.

The event is part of a nationwide program.

Vet Insurance Coverage Soars

More than five million veterans were insured during 1969 in five government life insurance programs valued at \$38 billion, according to the Veterans Administration.

The newly published annual report on 1969 insurance activities reveals income from all programs totalled about \$1 billion, while about \$825 million was paid in claims to living policy holders and beneficiaries.

In addition, the programs paid \$235 million in dividends, and placed \$130 million in reserve funds to assure payments of future policy obligations.

One of VA's five insurance programs insures World War I veterans, and the others insure World War II and Korean Veterans, as well as Vietnam vet-

erans separated with service-connected disabilities.

The report reveals that one program, which insures service-disabled veterans does so at standard premium rates, with losses met by appropriations from Congress.

The obligations of the World War I insurance program are diminishing, and the contingency reserve fund is gradually being liquidated, the report indicates.

The losses which developed in the Servicemen's Group program supervised by the VA (but administered by the Prudential Insurance Company and reinsured by 567 other private companies) were met out of the previous year's gains. This program insures military personnel on active duty.

VA's annual insurance report is distributed to members of Congress, service organizations, insurance firms and associations, state libraries and other public organizations.

Negotiation...

(Continued from page one)

Agreement between the Board and the Association, a mediation and appeal procedure provide guidelines for resolving disputes. When mutual agreement cannot be reached, the disagreement is submitted to an advisory board. The board consists of one person named by the Board of Education, another named by the Association and a third member by the other two members.

NI-Gas Wins PR Award In Competition

The third member serves as chairman of the Advisory Board. The Association is being represented by Mr. Ted Sanders, field representative for the IEA, and the Board is in the process of selecting their representative.

The main function of the Advisory Board is to secure agreement between the two parties. After evaluation of their respective positions, the advisory board offers proposals in an effort to reach an agreement acceptable to both sides.

Since the third-party effort is a continuation of the negotiation process, the policy of mutual press release remains in effect.

Both Dr. Bucar and Mr. Lindholm express confidence that an equitable settlement will be reached in the future.

Northern Illinois Gas Company won a major award in the gas industry's 13th annual Public Relations Achievement Awards competition, sponsored by the American Gas Association.

Kennedy To Talk...

(Continued from page two)

sons. In a question and answer period following the meeting, Mr. Kennedy will discuss individual cases.

The meeting will be held at 12:30 noon in the Community Room of the Antioch Savings and Loan Building, Antioch, Illinois.

John L. Horan of 407 Orchard Street, Antioch is President of the Antioch Area AARP Chapter.

The American Association of Retired Persons is dedicated to helping older people achieve retirement lives of dignity, purpose and independence. Since many older persons live on fixed incomes, the AARP has worked toward stretching retirement dollars by developing the nation's first group health plans for older persons and its own service by mail. Then came the travel service, geared to the membership's special needs. Later advances include insurance plans to work hand-in-hand with Medicare, a nation-wide Driver Improvement Program and a recommended automobile insurance plan with attractive noncancellation features, underwritten by a major American insurance company.

Law Changes Outlined By Powell

Two changes in the law — one pending and one proposed — affecting the state's driver's education program were outlined here today by Secretary of State Paul Powell in a talk at the spring conference of the Illinois High School and College Driver Education Association.

The change which is pending, and will become effective July 1, involves the use of an instruction permit by a 15-year-old who has completed the high school driver education course, Mr. Powell said.

The amended law will allow a 15-year-old to practice driving after completion of the course when accompanied by an adult who has held a driver's license for at least a year, he explained. The present law allows such practice driving for those 16 and 17 years old, but makes no similar provision for 15 year old students, even though they have completed the course.

The proposed change in the law to be presented to the General Assembly would transfer licensing of commercial driver education schools from the Secretary of State to the Superintendent of Public Instruction, who now administers the high school program.

"I think that's where they belong, and Superintendent Ray Page has agreed to take them," Secretary Powell said. "If we are going to call it driver education rather than driver training, then it should come under the education department, regardless of whether the operation is commercial or otherwise."

Great Lakes Improvements Announced

Congressman Robert McClory has announced two large scale improvements at Great Lakes. The principal project, authorized recently by the Navy will provide Receiving Barracks for new Navy recruits at Great Lakes Naval Training Center to be constructed at a cost of about \$2 million. The contract for this project to accommodate some 720 Navy recruits was let on Monday, April 6, 1970 to Ziskin Construction Company of Chicago. Construction on the project will begin immediately with completion scheduled for July 1971.

The second project affects the Veterans Administration facility at Downey, Great Lakes where a nursing home care unit has been authorized. The announcement from Congressman McClory followed the advice of Donald C. Johnson, Administrator of the VA in Washington.

The Downey Hospital improvements will provide 94 beds, bringing the hospital's total capacity to 2,376 beds, thus becoming one of the largest VA hospitals in the Nation.

While bids for the Downey expansion will not be opened until next January, completion of the project is expected by the end of 1971.

Meister Brau's championship Six Horse Clydesdale Hitch will appear in parades, horse shows, expositions and fairs throughout the western United States. Eight Clydesdale geldings weighing more than one ton each were purchased by Meister Brau from Wilson and Company.

Driver's Education Certified

Ray Page, Illinois Superintendent of Public Instruction, today certified Illinois high school driver education reimbursement claims of \$6,312,734.20 for the 1968-69 school year.

Page reported the payments will reimburse the public high schools in the state for 521,406 students who completed driver education courses during the period. Minimum requirements for completion of the course are 30 hours of classroom work and six hours of laboratory (behind-the-wheel-training).

Page reported that school officials estimate the number of students who will take the course within the next year will reach more than 200,000. He pointed out that more students will enroll in the course since it is now required that a student under 18 years of age successfully complete an approved driver education course before he may obtain a state driver's license.

Pake also paid special tribute to the automobile dealers throughout the state who have cooperated with the schools by providing on loan (without cost) 1,314 automobiles. There were 2,296 teacher approved for the program.

28 At Carmel Win Honors For Quarter

Three Antioch area students made special honors at Carmel High School for Boys and Carmel High School for Girls for the third quarter.

Another eleven made first honors and 14 made second honors.

Receiving special honors were Linda Stenzel, of Lake Villa; Ronald J. Bitto of Wildwood, and Stephen J. Wolff of Lindenhurst. Receiving first honors were

Jean Forster and Mary Alice Molgard of Antioch; Karren Torres of Lake Villa; Barbara Brendel, Mary Eloise Wolf and Mary Brendel of Lindenhurst; Mary Eileen Tierney of Wildwood; Craig A. Fuller of Lake Villa; Rodney C. Schaefer of Antioch; Chris J. Abbata of Lake Villa and Anthony M. Seisser of Lake Villa. Receiving second honors were

Donna Stieler and Joellen Zannini of Antioch; Pamela Aniol and Marjorie O'Neill of Lake Villa; Kathleen Skrzynecki, Debra Szczesniak and Christine Wolff of Lindenhurst; Linda Taylor and Susan Loneragan of Wildwood; Fred C. Walpole of Antioch; Donald A. Anderson and Timothy J. Merles of Lindenhurst; William R. Eaton and John E. Soffietti of Lake Villa.

Milo Bailey Heads Grade School Board

The Antioch Grade School Board held an organizational meeting Tuesday night to canvass the recent vote. Joan Toft was reelected as secretary of the board and Milo Bailey was elected president of the board. The meeting time will be the same as in the past—the third Tuesday of each month at 7:30 p.m.

A special meeting of the Board will be held at 7:30 p.m. Monday, April 27th at the grade school building.

Realtors Schedule Dinner At Tally Ho

The Waukegan-Lake County Board of Realtors will hold a dinner meeting at 6 p.m. Monday, April 27 in the Tally Ho Country Club, Rte. 45, Vernon Hills.

Speaker for the evening will be Ken Murray, executive officer of the DuPage Board of Realtors. A film entitled "Second Effort" by Vince Lombardi will also be shown.

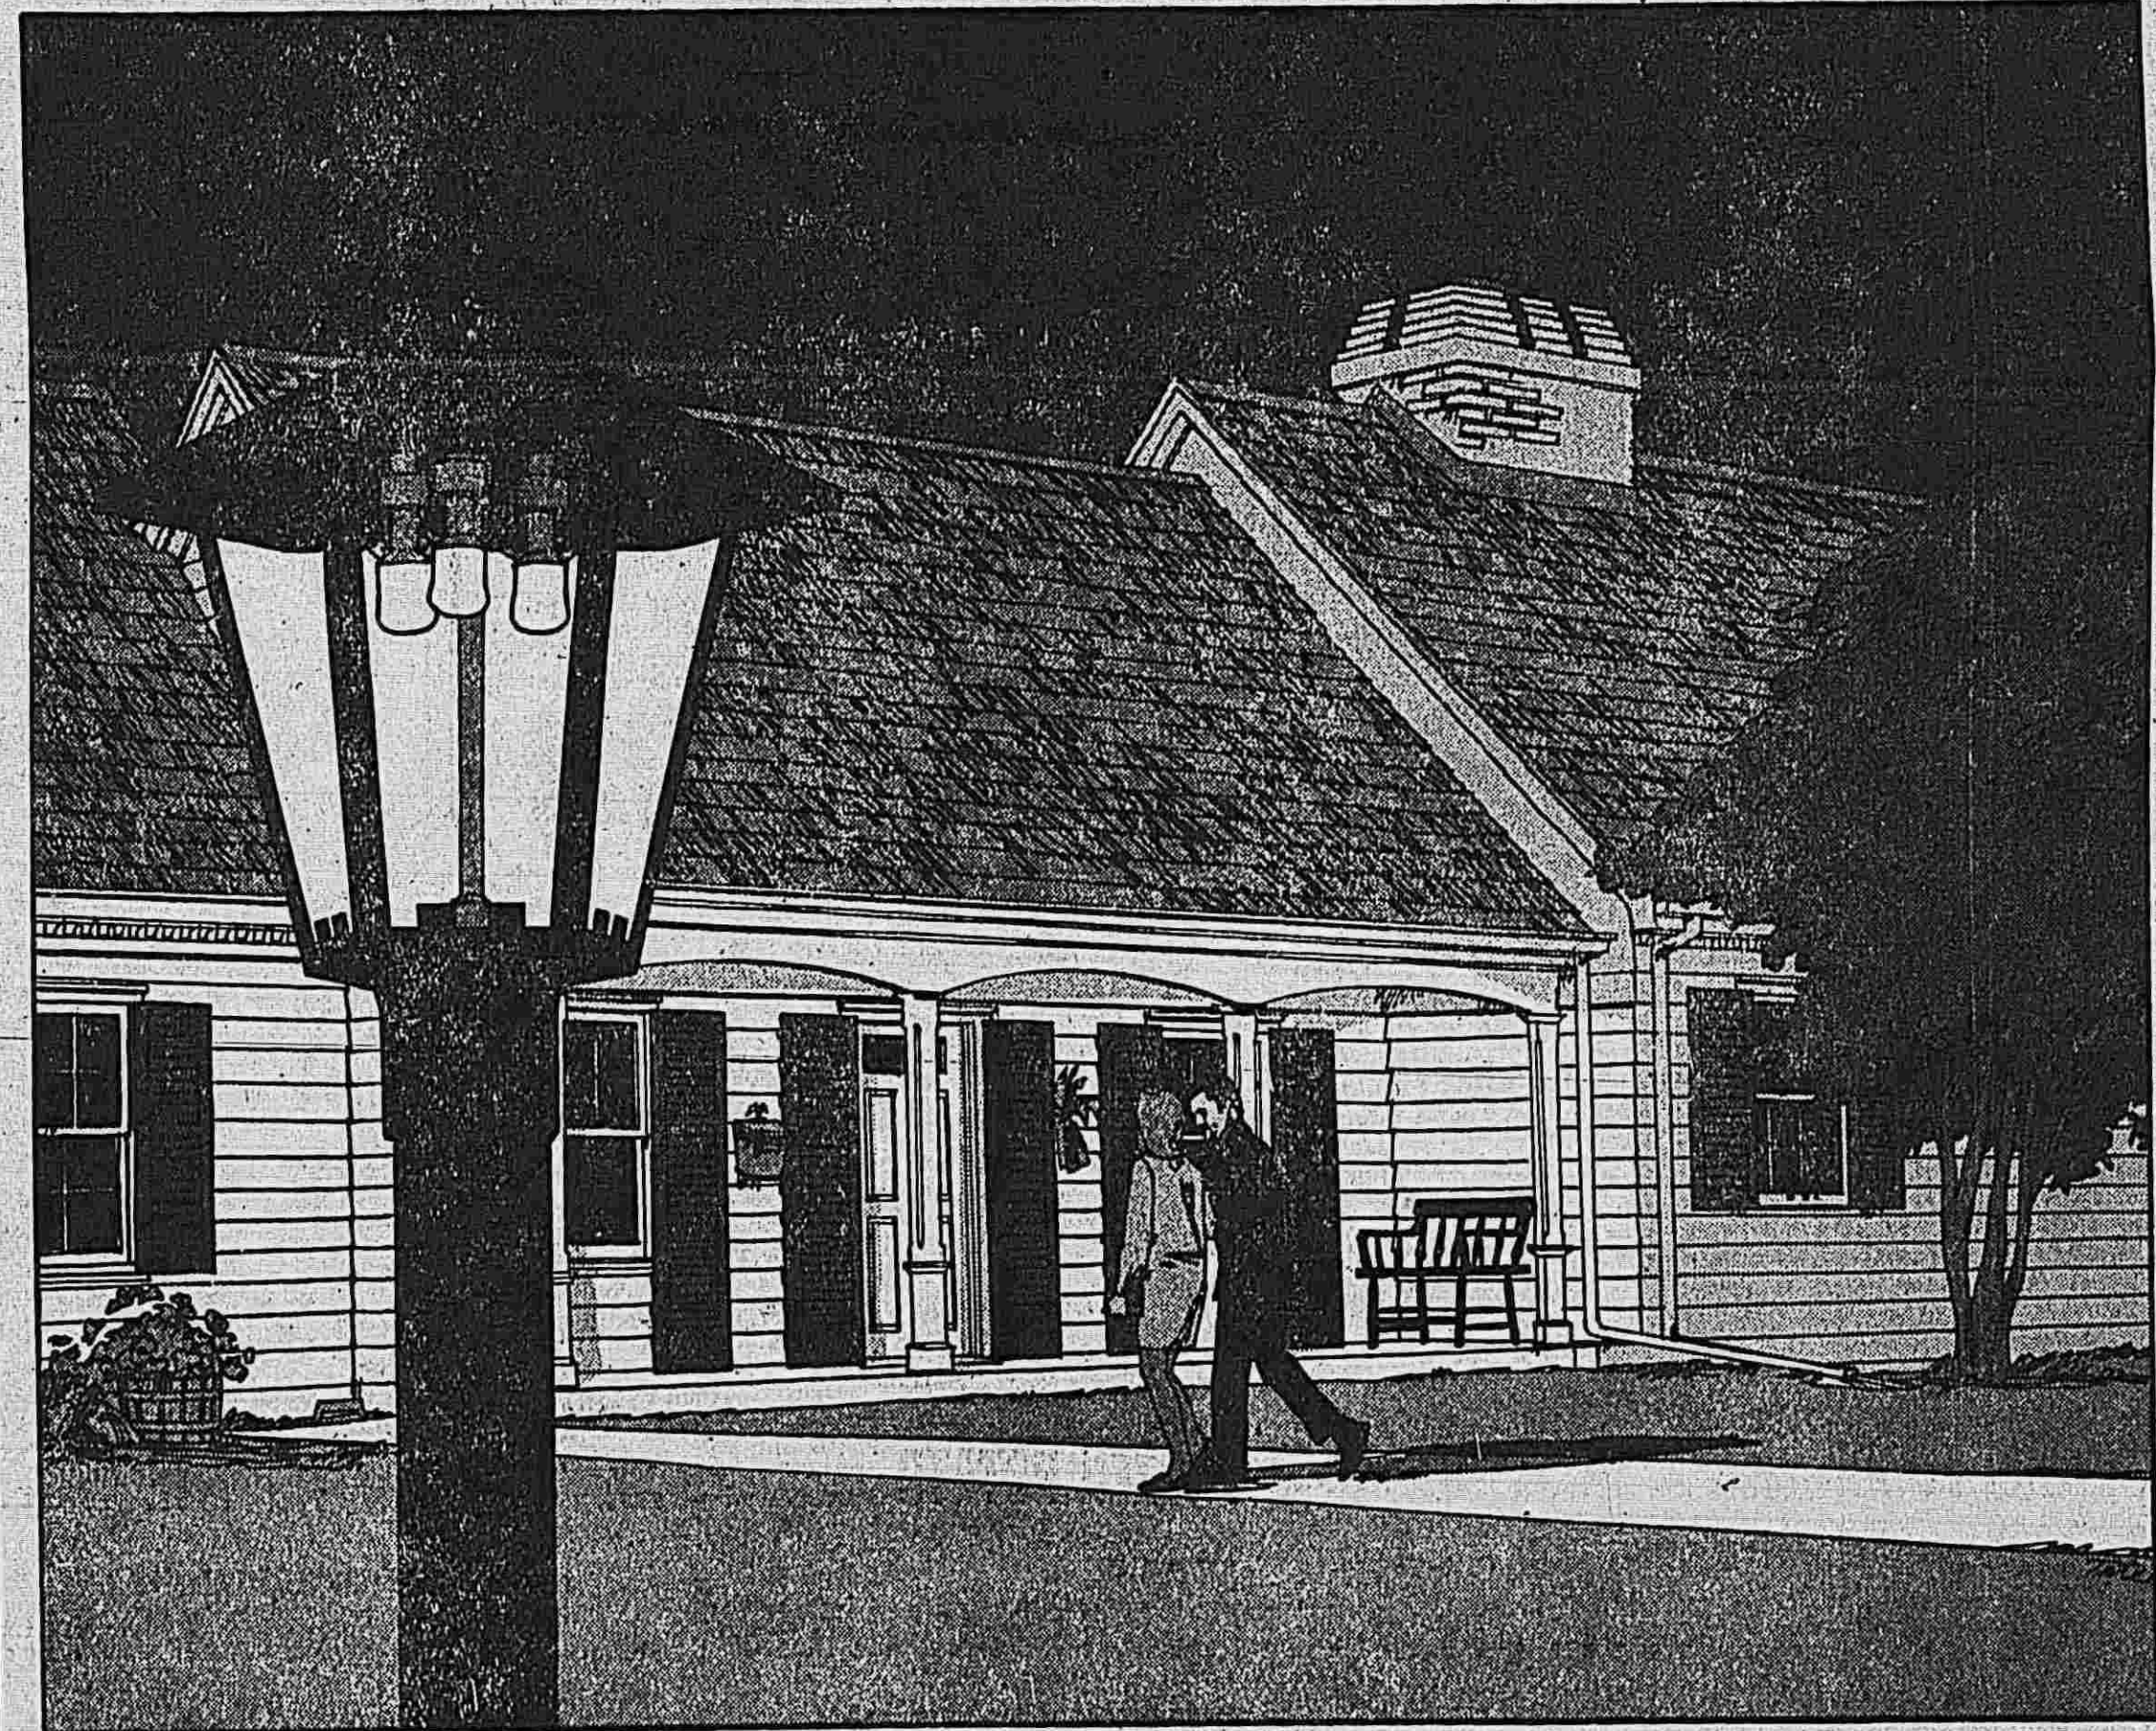

Jaycee Art Fair This Weekend

The Lake Region Jaycees will present its second annual Spring Art Fair in St. Peter Social Center from 1 to 6 p.m. Friday and Saturday.

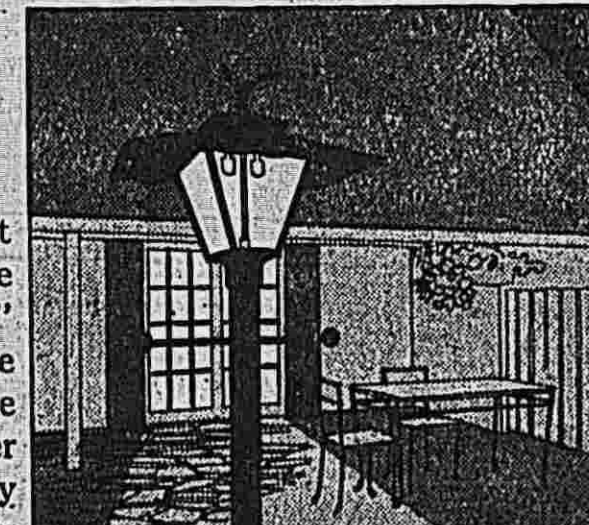

Entries will be grouped in 10 categories in both junior and adult classes. Admission is free.

It's pretty hard to find a pair of friends that is entirely satisfactory to both a man and his wife.

"In" guard.

A gaslight protects your home in style...never darkens your door.

The soft, warm glow of a gaslight flatters any home. That's why they're so fashionable. But gaslights are "in" for another reason—because they're always on. They guard your home with light. A great comfort, whether you're home alone on a dark, stormy night, or off on a vacation. Gaslights

help prevent accidents, too...and who needs lawsuits or hospital bills? Styles range from Early American classics to cool contemporaries, post or wall models, to go with any architecture. Pick a pair for your home, front and back, at your dealer's. Or phone us.

Topics for Today's Women

THURSDAY, APRIL 23, 1970 THE ANTIOCH NEWS-6

Cotillion Ball A Glittering Success

Months of planning climaxed into the year's most glittering, swinging dance last Saturday night at the Antioch Country Club. The Antioch Mental Health Auxiliary Cotillion '70 was a triumph for this group of active, hardworking women.

Guests at the cocktail party were treated to the sounds of Connie and Jerry "K", the entertainment duo sponsored by the First National Bank of Antioch. As each lady entered the dining room, she was surprised by being presented with a lovely wrist corsage by the State Bank of Antioch.

Cotillion-goers dined on delicious, perfectly prepared filet mignon with mushroom sauce. The dining room was aglow from scented candles and a well-chosen array of large paper flowers and garlands. Dinner was capped with an after-dinner drink bought by the First National Bank.

"We could have danced all night" was the feeling among the crowd as the State Bank of Antioch sponsored Freddy Fischer orchestra played on until 1:00 a.m.

Even then, guests lingered longer, unwilling to allow the evening to end.

The Country Club was an ideal background for the elegantly "turned out" guests. White pants dresses were a popular choice for many guests this year. Kay Costoff was elegantly dressed in a flowing white pants dress trimmed in silver around the high neck and down the front of the bodice. Shirley Stanich chose a white, accordin-pleated, long-sleeved pants dress with a high buttoned bodice and hip hugging belt. Vicki Willson danced away in a jingling gold coin trimmed tunic and pants outfit. Annette Lukkeman, dance chairman, chose a white crepe, gold high-lighted pants dress while Betty Waite wore white lace see-through pants and tunic as she efficiently helped hostess the gay crowd.

A blue, silver trimmed pants suit was very becoming to Joan Toft.

Beautiful pastel pants dresses were dazzling on Elaine Schultz, Phyllis Kapishke, and Sharon Simon. Ethel Allen was stunning in a delicate white see-through lace tunic and pants, as was Angie Maras in white pleated pants topped with a brocade vest.

There were many beautiful long gowns this year. Caroline Costoff chose to look her loveliest in a white, bared midriff gown. Henrietta Albero also wore a white, silver trimmed gown. Joyce Woods appeared in a chartreuse topped, avocado colored gown. Bess Tobieski was striking in an exquisite beaded, high necked, heavy white satin gown. Charlotte Smith combined lavender and white in a stunning long, sleeved gown.

Janet Brook was radiant in a "surprise" hairdo and a dazzling red and white gown. And wasn't it nice of Bill to wear his red jacket to match Janet's dress?

Carol Jester and Betty Mentone contrasted elegantly in black. Carol wore a black tunic and pants outfit highlighted with rhinestones, and Betty was very glamorous in a long black gown. And, Bob Lukkeman merits a compliment for his beautiful blue shirt that was set off with a ruffled front and cuffs.

Each and every guest star studied a perfect evening. At this point, we can only say, "What will the Auxiliary do next year?" We can hardly wait!

Stretch Food Dollar With Nonfat Milk

Providing enough milk for your family can tax the food budget. But you can help solve the problem by serving economical nonfat dry milk, says Mrs. Helen Volk, Lake County Extension adviser.

When reconstituted with water, nonfat dry milk costs from one-third to one-half as much as fresh fluid whole milk. Milk is a basic food the entire family needs every day. It is an excellent source of calcium, needed for strong bones and teeth. The protein in milk builds and repairs body tissues, helps the body fight infection and supplies energy. In addition, milk contains needed vitamins and minerals.

Since nonfat dry milk lacks butterfat and vitamins A and D, its nutritive value does not equal that of fluid whole milk or fortified skim milk. But it does contain all the other nutrients of fluid whole milk. Mrs. Volk points out that vitamin-fortified dry milk is now available in some markets.

If you substitute dry milk entirely for fluid milk, providing enough vitamin D in the diets of young children may be a problem. To be certain, toddlers get needed vitamin D, you might mix equal amounts of reconstituted nonfat dry milk and fresh whole milk. Or be certain to use fortified dry milk.

Mrs. Volk explains that the amount of vitamin D consumed from one good source such as milk, plus sunshine, generally meets recommended daily amounts.

To help make up for the lack of vitamin A, serve your family a variety of bright yellow and orange vegetables and green leafy ones.

Where The Boys Are

Magiera

Airman Glen E. Magiera, son of Mr. and Mrs. Andrew P. Magiera of Rte. 2, Antioch, Ill., has complete basic training at Lackland AFB, Tex. He has been assigned to Lowry AFB, Colo., for training in the munitions and weapons maintenance field.

Airman Magiera is a 1968 graduate of Antioch Community High School.

U.S. Air Force Sergeant Glenn M. Young, son of Mr. and Mrs. Kenneth F. Young of Rte. 2, Lake Villa, Ill., has returned to Ellsworth AFB, S. D., after six months temporary duty at a forward base in the western Pacific.

Sergeant Young, a jet engine mechanic with the 28th Bomb Wing at Ellsworth, supported B-52 Stratofortress bombing missions against enemy targets and KC-135 Stratotanker missions that provided refueling for aircraft conducting the air war over Vietnam.

The sergeant, a 1964 graduate of Antioch (Ill.) Community High School, received his associate degree in 1967 from Milwaukee Institute of Technology.

Marine Private First Class James M. Costanzo, of Rte. 1, Salem, Wis., completed the Marginal Terrain Vehicle Maintenance Course at the Marine Corps Supply Center, Albany, Ga.

Navy Petty Officer Third Class James A. Koppa of Route 5, Antioch, is serving aboard the fleet ballistic missile submarine USS Mariano G. Vallejo now at Charleston, S. C.

The Vallejo, veteran of 100,000 submerged miles, changed its homeport from Pearl Harbor to Charleston for duty with the Atlantic Fleet.

Specialist Four Phillip N. Thiele, 23, son of Mr. and Mrs. Emanuel J. Thiele, Rte. 2, Antioch, recently received the Army Commendation Medal while serving with the 168th Engineer Battalion near Lai Khe, Vietnam.

Spec. Thiele earned the award for meritorious service as a chaplain's assistant in the battalion's Headquarters Company. The specialist entered the Army in April 1968, completed basic training at Ft. Campbell, Ky., and was last stationed at Ft. Hamilton, N. Y.

He is a 1965 graduate of Antioch High School.

Navy Aviation Officer Candidate Timothy J. Zeien, son of Mrs. Virginia D. Zeien of Route 3, Antioch, is attending Aviation Officer Candidate School at the Naval Aviation Schools Command, Naval Air Station, Pensacola, Fla.

Runmage Sale Set For May 7

The Women's Association of the First Presbyterian Church of Lake Forest will hold its twenty-first annual Runmage Sale Thursday, May 7, at the church, 610 E. Deer Path, Lake Forest.

The one-day sale will last from 7 a.m. until 8 p.m. Among the many new and old items will be furniture, appliances, clothing, jewelry, toys and antiques.

All proceeds from the sale go to the Women's Association Missionary fund and to local neighborhood houses.

OFFICERS OF ANTIOCH AREA CHAPTER TO ATTEND...

The following officers of Antioch Area Chapter, No. 387 of the American Association of Retired Persons: President, John L. Horan; Vice President, Ruth Carlson; Treasurer, Lorna Buchert; Membership Chairman, Harold Lindberg and Chapter Historian, Estella Lindberg will attend the Spring Work Shop to be held on April 24th at the Swedish Glee Club, Waukegan, Illinois.

The work shop under the supervision of State Director, George W. Drysdale of Waukegan, will open the meeting at 10:00 then taking time out for noon luncheon, the session will close at 3:00 p.m.

A long, hard winter can do a lot of damage to streets and highways. Watch out for rough spots. A break in the pavement can be dangerous.

Co-Op Club Meetings Scheduled

The Co-Op Needlecraft Club will meet Monday, April 27, at 7:00 p.m. in the Cooperative Credit Union. NOTE: change of meeting place.

Project for the evening will be the making of a Casserole Carrier. Each one should bring some sturdy material that measures 20" x 20" (or larger) and needle and thread.

President Mrs. Leo Gunn invites the public to share in the Birthday Party which marks the third anniversary of the club.

The Co-Op Travel Club will meet in Pioneer Hall, 2424 Washington Street, Waukegan (in the basement of the Co-Op Food Center) on Tuesday, April 28, at 7:30 p.m.

Jerry Zier will show slides on Puerto Rico.

Members will have an opportunity to register for the Alaskan Adventure in September. This will be a 12-day trip to our 49th state flying to Vancouver, British Columbia then going up the fabulously beautiful "Inside Passage" on the "Polar Star" on a five-day cruise. Another five days will be spent seeing Seward, Anchorage, and Fairbanks via deluxe motorcoach. For full details call Audra Ikan, ON 2-4473 or Cray's Travel Service MA 3-4722.

There is still room on the trip to Lillacia Park in Lombard on May 23rd. Gary Anderson, president, invites the public.

Mrs. Jean Bauer, a professional candle maker from Marion, Iowa, will show how to make sculptured flower candles on Thursday, April 23.

The demonstration will take place in Pioneer Hall, 2424 Washington St., Waukegan (in the basement of the Co-Op Food Center) at 7:30 p.m. Mrs. Bauer will show from beginning to completion just how to put them together and many finished candles will be on display.

There is no charge for this presentation which is sponsored by the Co-Op Arts and Crafts Club. Mrs. Leo Gunn, president, invites the public to attend.

By Fran Boxley

Thursday, April 16
Green Cap Night program presented by Chaplain Barbara Seelhoff.

Junior Graduate Regent Shirley Gehrls was escorted into the chapter by these honorary escorts, Collegians Alice Young, Geraldine Mark, Harriet Grewe, Gladys Schroeder, May Palmer.

The story of Shirley's life as a Moose member was told.

1958-59—Shirley is Publicity Chairman.

1959-60—Argus

1961-62—Escort for Junior Graduate Regent Geri Good.

1962-63—Treasurer

1963-64—Escort for Junior Regent Evelyn Miller

1964-65—Assistant Guide

1965-66—Guide

1967-68—Guide

1968-69—Senior Regent

1969-70—Junior Graduate Regent

October 26, 1969—Trip to Decatur, Ill., to receive Green Cap. This was a complete surprise for Shirley. The officers and appointed officers presented Shirley with a gift via the Senior Regent.

Homemaking chairman Judith Page presented Shirley a gift from Homemaking Committee.

Study, work and planning for this program was done by Chaplain Barbara Seelhoff.

Our Junior Graduate Regent was very happy and thanked everyone.

After Green Cap Program, regular business was discussed. Important! Calendar of Events Thursday, April 23—Nominating Committee meets at the home of Barbara Seelhoff. Saturday, April 25—Installation of Loyal Order new officers, Moose Home, 8:00 p.m. Dancing and refreshments. Thursday, April 30—Robbers Party, Moose Home, 8:00 p.m. Donation 75c. Prizes and refreshments. Saturday, May 2—Ballroom Dance. Dancing to the Klondells. Donation \$1.00. Fun for everyone. Moose Home, 9:00 p.m. Sunday, May 3—Academy of Friendship Session. Bus leaves Moose Home for Mooschoat. Persons going should be at Moose Home at 10:30 a.m. Thursday, May 7—Membership Committee in charge of Chapter program.

Miss Pergano Pregano

Engagement Announced

Mr. and Mrs. Daniel Pregano of Foxon, Conn., have announced the engagement of their daughter, Gloria Anne to James Allen Steffenburg, son of Mr. and Mrs. Lars Steffenburg of 633 Parkway, Antioch.

Miss Pregano is entering her senior year at Albertus Magnus College, New Haven, Conn., where she is majoring in Drama. She is also a member of the Campus Theatre Players and Dance Workshop at the school.

Mr. Steffenburg was graduated from Antioch High School in 1965. He received his B.A. in the History of Art from Yale University in 1969. He is employed with Moore-Turnbull Architects in New Haven, Conn.

The wedding will take place June 20 in Foxon, Conn. The couple will live in New Haven.

CLC Nursing Program Has State Okay

The College of Lake County Practical Nursing Program offers an excellent opportunity for a variety of persons, male and female, to attain a career and become part of the nursing profession.

The licensed practical nurse is a member of the health team and functions directly under the supervision of a registered nurse, doctor, or dentist. Many licensed practical nurses are planning for positions in industry, public health, doctors' offices, clinics, and schools as well as in the usual areas such as hospitals and nursing homes.

The College of Lake County Practical Nursing Program has State approval, and, upon successful completion of the program, graduates are eligible to take the State board examination for licensure. Classes throughout the year are conducted at the Victory Memorial Hospital nurses' residence in Waukegan. Geriatric and long-term nursing care patients at the Terrace Nursing Home in Waukegan offer additional clinical experience.

The one-year program follows the College calendar, and classes are admitted annually in the fall. During the fall semester the student studies the basic concepts of nursing, communication skills, and personal and vocational relationships. Clinical experience is provided at the medical, surgical, and orthopedic units of Victory Memorial Hospital during this period.

The spring semester offers a challenge with advanced nursing care in medical-surgical units at Victory Hospital, pharmacology, diet therapy, and gerontology.

The eight-week summer session offers a concentrated course in maternal child health with clinical experience in the obstetric and pediatric departments at Victory Hospital and St. Therese Hospital.

Applications are now being accepted for the 1970-71 academic year. Persons—male and female, any age—who desire additional information regarding the program and admissions procedures are encouraged to contact the Coordinator of the Practical Nursing Program, Mrs. Gloria M. Grippando, at 623-6765 between 1:00 p.m. and 4:00 p.m., Monday through Friday.

Speaker planned for evening. Executive Director of Camp Duncan, Mr. J. Tobolski (Chairman's meeting also).

Wednesday, May 20—Honorary dinner, 6:30 p.m., Moose Home.

Saturday, May 23—Las Vegas Night. Lots of fun and excitement. Prizes. Moose Home, 8:00 p.m.

Homemakers Plan Meeting

Homemakers who are enrolled in the 23 organized units of the Lake County Homemakers Extension Units in Lake County are making plans to attend their Annual Meeting on Wednesday, April 29, says Mrs. Helen Volk, County Home Economics Extension Adviser. The meeting this year will be held at the beautiful Bristol Oaks Country Club, two miles east of Bristol, Wisconsin on Rte. 50.

The meeting will be held from 11:00 a.m. to 3:00 p.m. beginning with a buffet luncheon. This year's hostesses from Fremont, O'Plaine and Volo units are busy making table decorations, name tags and favors in keeping with the theme of the meeting, which is "Spring Magic."

Mrs. Peter Sneebsy of Gurnee, who is completing her two-year term as County President will preside at the business session after luncheon. Miss Pearl Winterfeldt, Assistant State Leader, University of Illinois, will present a Certificate of Service to Council members who have completed their term of office; namely, Mrs. Sneebsy, Mrs. Walter Fontaine of Gurnee, Mrs. Melbourne Mudd of Libertyville, Mrs. Christine Fritz of Wauconda and Mrs. Calvin Bracher of Libertyville. The new 1970 Council will be elected and installed.

The speaker of the afternoon will be Mrs. Beryl Pritchett of Danville, Indiana. She will demonstrate "Twenty Fashions From an Overnight Case."

Guests are invited to attend this Annual Meeting by making reservations at the County Extension office at the Fairgrounds, Grayslake (223-4844).

Lindenhurst News

By Mrs. Bernice Bernau 356-5649

BIRTHDAYS

A very happy birthday is wished to Suzanne Mattson, Lisa Marie Hazel, Raymond Reinhardt, Leona Amore, Marie Golden, Carl Powell, Jr., and Vid Schram.

ALTAR AND ROSARY

The Mother and Daughter breakfast immediately after the 8 o'clock mass on Sunday, May 3. A ham and eggs breakfast will be served for \$1.75 (including tax) at Lorenz's Smart Country House at Antioch. Reservations must be made by April 28. Call Mrs. Renee Skora at 356-5427 or Mrs. Verneeta King at 356-2718 if you plan to attend.

DIAPER SET

Mr. and Mrs. Ronald (Jean) Hlavin, 2318 Carriage Lane, have named their first, son and third child, David Ronald. He was born April 4 at Victory Memorial Hospital.

The proud grandparents are Mr. and Mrs. Arthur Hlavin, 2309 Green Tree Court, Lindenhurst, and Mr. and Mrs. Steve Willson of Round Lake.

April 5 is the birth day of Diana Jean DiGiovanni. She is the second daughter for Mr. and Mrs. Tony (Nancy) DiGiovanni.

The proud grandparents are Mr. and Mrs. Charles DiGiovanni of Chicago and Mrs. Severino Michi who lives here with the DiGiovanni's.

Mr. and Mrs. Larry (Jerilynn) Graves of 2305 Glendale Court, welcomed their son, Bradley Allen at Victory Memorial Hospital April 9. The grandparents are Mr. and Mrs. Erhart of Gurnee and Mr. and Mrs. Earl Graves of Saginaw, Mich.

Mr. and Mrs. Ted (Kay) DeRousse, welcomed their third son and fourth child on March 1, at Condell Memorial Hospital. Brett Steven weighed 8 lbs. 14 1/2 oz. at birth.

Grandparents are Mrs. Edith M. DeRousse of Mundelein and Mr. and Mrs. William D. Watt of Springfield.

March 28, Mr. and Mrs. John Hamlin, 48 McKinley, Lake Villa, welcomed their first child at Condell Memorial Hospital. Juliet Ann was born at Condell Memorial Hospital. The proud grandparents are Mr. and Mrs. Lester Hamlin of Lake Villa and Mr. and Mrs. Frank Berndt of Naperville.

Mr. and Mrs. Raymond (Betty Ann) Young, 308 S. Beck Road, welcomed their first son and second child at St. Therese Hospital on April 1. He has been named Michael John.

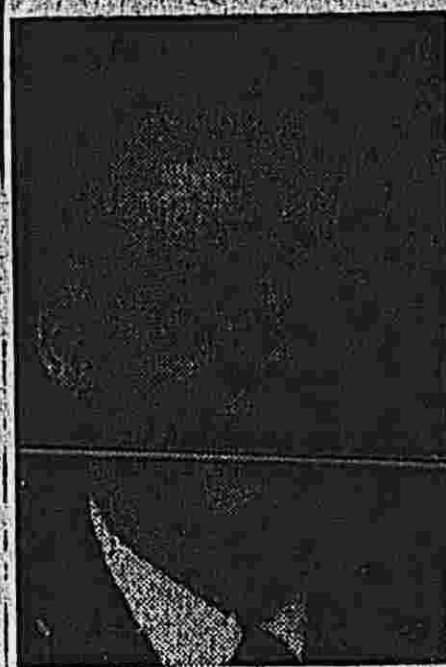

Maternal grandparents are Mr. and Mrs. Arthur (Jean) Luckey of Chicago, and Mr. and Mrs. Wally (Mary) Knutson of Chicago are the paternal grandparents.

NOISY NEIGHBORS

First Watchmaker: "The people upstairs sure are noisy. Last night they stomped around on the floor until after midnight."

Second Watchmaker: "Did they keep you awake?"

First Watchmaker: "No, as it happened I was practicing on my tuba at the time."

Col. Little

Col. Little Will Give Free Lecture

Col. William Little of the Christian Science Board of Lectureship will present the free public lecture entitled "Be Yourself" at 8 p.m. Thursday, April 30, in the Antioch High School.

He will show how several people have seen their lives improve through an increased understanding of man's God-given nature.

This lecture is sponsored by the First Church of Christ, Scientist of Antioch.

St. Ignatius Confirmation On Saturday

The Rt. Rev. James Winchester Montgomery, S.T.D., D.D., LL.D., Bishop Coadjutor of the Diocese of Chicago will be at St. Ignatius Episcopal Church in Antioch for Confirmation on Saturday, April 25 at 3 p.m.

The following young people will receive the Sacrament of Confirmation:

Frank H. Bessette, Julio M. Case, Kim L. Case, Jody L. Fields, Lynda J. Fields, Cary H. Scott, Debra S. VanPatten, Dale R. Worswick and Mark S. Worswick.

The Confirmation will be followed by the Holy Eucharist which

Every Mother wants to own

Cornelia's Jewels Trade Mark

Recalling the tale of Cornelia, mother of the Gracchi, Rome, who described her most valuable worldly possessions by pointing to her children and saying, "These are my jewels," we present this modern day symbol... the mother's birthstone ring. Beautifully fashioned in elegant style with textured Florentine finish, each ring has synthetic birthstones delicately set on a circle of 14K gold... one for each child. A most exquisite gift for either Mother or Grandmother, it is personalized with the birthstones of your choice.

A BIRTHSTONE FOR EACH CHILD

HAHN JEWELRY

BUY WITH CONFIDENCE Manufacturing and Designing Jewelers 913 MAIN STREET ANTIOCH, ILL. 312-395-0026 Mon. thru Sat. 9-6 Friday 9-9

Garden Club Sets Annual 'Luncheon Out'

The Antioch Garden Club will hold its annual "Luncheon Out" on April 27 at the Iron Kettle in Wilmet, Wis.

A family style luncheon will be served at noon with installation of officers for 1970-71 following the luncheon.

Members are requested to call either President Mrs. Clarence Spiering at 395-0587 or Mrs. Edward Jacobs at 395-0479 for reservations for themselves and their guests before noon Friday.

Hostesses for the day are Mrs. Edward Jacobs and Mrs. Dudley Kennedy.

CHRISTIAN SCIENCE CHURCHES

The self-destroying effects of moral weakness and the regenerating effects of spiritual thinking are illustrated in the Lesson-Sermon on "Probation After Death" to be read in all Christian Science churches on Sunday, April 26.

One of the Bible citations is from Romans: "For to be carnally minded is death; but to be spiritually minded is life and peace." The account in Luke of the multitude that gathered to hear Jesus preach and to be healed of diseases and "unclean spirits" also will be read.

Citations from Science and Health with Key to the Scriptures by Mary Baker Eddy include the following: "Either here or hereafter, suffering or Science must destroy all illusions regarding life and mind, and regenerate material sense and self."

The public is welcome to attend services beginning at 11 a.m. at First Church of Christ, Scientist, Beacon Hill, Rte. 173 & Harden, Antioch, Ill.

will be offered by Fr. Theodore A. Bessette, Rector of St. Ignatius Church upon the occasion of the 25th anniversary of his ordination to Priesthood.

PROBATION AFTER DEATH

BE YOURSELF

Are you being held back by qualities or shortcomings you wish you didn't have?

If so, it may be time to learn the facts about yourself.

Where do you start? Many people are literally having their lives transformed by starting with God. They are finding that as their understanding of God grows their spiritual relationship to God becomes more apparent.

And through this they are discovering good qualities in themselves they never knew they had.

If you would like to learn what such an enlightened view of yourself can mean to your life, hear Colonel William Little of the Christian Science Board of Lectureship.

New Courthouse...

(Continued from page one)
parking for Sheriff's squad cars and County associates' cars.
The Administrative Tower building is ten floors in height plus a basement or ground level along the north or vacated Madison Street side of Courthouse Square. A two floor section (1st floor and lower level) is attached to the highrise and integrated with this building. This section houses the County Treasurer and County Clerk on the first floor level. Directly below this portion of the building is the Data Processing Service Department and County Archives. The highrise section, referred to as the Administrative Tower, houses County Departments other than those connected directly with the Courts.

Original plans called for three floors in the Courts building located on the east or County Street side of the Square. The first floor has two court rooms, and office space for the Circuit Clerk and Probation Departments. The second floor houses four jury courts with connected jury and witness rooms and Judge's Chambers, plus four non-jury rooms.

Because of studies initiated by Chief Judge Seidenfeld and the Circuit Court Judges, as well as the Lake County Bar Association, who have been most cooperative, a strong feeling existed that a fourth floor should be added at this time since eleven courts would only take care of immediate requirements and the building would be inadequate upon completion. A fourth floor would provide an addition of a possible three more courts if the State's Attorney and Law Library were to remain in the Administrative Tower, which adjoins and is to be attached to the Courts building. As a result of this survey, it was decided that a fourth floor should be added at this time. A fourth floor shell has been erected.

The County Jail, Sheriff's Office, Central Communication Center, Facilities, and Interrogation Center are located on the southwest corner of the Square and connected to the Courts section by private corridors so that prisoners may be taken to Court, and returned under controlled security, since passageways are not accessible to the public. This structure is five floors in height. Since there is underground parking area for the Sheriff's squad cars, prisoners will be taken from this lower level into the Interrogation Center located in the lower level. Here again security of prisoners has been a major consideration. The Jail houses a maximum of 120

prisoners and facilities meet all requirements of the Federal Bureau of Prison Standards.

In conjunction with the underground parking area there is provision for easy entrance and exit of trucks carrying necessary materials for courthouse use. (Receiving dock in basement-Receiving Clerk of Purchasing Department).

The Administrative Tower was financed by a grant from the County Corporate Fund of \$1,150,000 and a Revenue Bond Issue for \$3,500,000. The Second Phase (Jury and Courts Section) was financed by a second Revenue Bond Issue for \$7,000,000. During the construction period these construction funds have been invested in U.S. Treasury Bills and Bank Certificate of Deposits until needed for payment to contractors. Earnings to date (March, 1970) have amounted to \$1,212,771.

To better explain the retirement of these bonds — The Revenue Bonds are payable in twenty years and the original bonds of \$3,500,000 were obtained at an interest rate of 3.22 per cent; the interest on the \$7,000,000 was 4.288 per cent. The Lake County Public Building Commission, who, as I stated earlier has the responsibility of constructing and maintaining the Courthouse Complex, acts as landlord in this situation, and the County Board as the tenant. The entire building is leased to the County.

For the Lake County Public Building Commission to retire the bonds on the original issue of \$3,500,000, the County Board passed a tax levy which they will pay the Building Commission a rental of \$470,000 a year for retirement of the bonds, payment of interest, and maintenance of the building for a twenty year period. The County will levy a tax for \$1,250,000 per year to pay rent on the Complex to the Building Commission. The rent will retire the bonds over a twenty year period; pay interest on borrowed funds and pay administrative and operational cost of maintaining the Building Complex.

As soon as the Administrative Tower was occupied, the old courthouse building was demolished. The County Jail was then constructed, prisoners removed to the new jail and then the old jail was demolished so that the balance of the Courts section could be completed.

The entire Complex is designed by the architectural firm of Gansler & Hennighausen, Architects of Waukegan. Consulting architect is Bruno Lunardi of Highland Park, Illinois. The general contractor was Corbetta Construction Company of Illinois.

County Mental Health Society Is Independent

Lake County residents who contribute to the Bell-Ringer campaign of the Mental Health Association of Greater Chicago do not thereby support the Lake County Mental Health Society and Center, according to Dr. Robert P. Barrell, Society president.

In response to inquiries received by the Society from persons recruited by the Chicago-based group for its annual fund-raising effort, Dr. Barrell has

issued the following statement: "First, the Lake County Mental Health Society is an independent not-for-profit corporation; the Mental Health Association of Greater Chicago is an affiliate of the National and Illinois Associations for Mental Health. "Second, funds raised by the Lake County Mental Health Society through membership, contributions and special events remain in Lake County to support direct services through the Lake County Mental Health Center as well as the Society's educational program; contributions to the Mental Health Association of Greater Chicago are shared by the Chicago group with its state and national organizations. "Third, the Lake County Mental Health Society receives support from the United Fund of North Lake County, the Mundelein Area United Fund and the Lake Forest-Lake Bluff Community Fund; the Mental Health Association of Greater Chicago is not a United Fund organization."

Dr. Barrell pointed out that Lake County undoubtedly benefits from the legislative, educational and research activities of the state and national organizations. "But," he added, "the prospective cuts in the Illinois Department of Mental Health budget will inevitably impose additional burdens on local mental health resources. Therefore, until the Society is successful in securing broad-based local public support—or greatly increased voluntary support—I must urge area residents to consider the pressing local mental health service needs as having top priority."

Present Members of the Lake County Public Building Commission are:

Tajisto A. Aho, Chairman, Robert P. Geudtner, Vice Chairman, Robert J. Dickson, Secretary, August P. Cepon, Member of the Commission and Past Chairman, Guy Grinnell, Member of the Commission, Walter Danneberg, Treasurer, Andrew Semmelman, Attorney, Robert L. Morrison, Controller.

Census Taker Will Carry Identification

Householders will have no difficulty in identifying enumerators for the 1970 Census of Population and Housing, District Manager Harold H. Hertzberg pointed out today. Enumerators, or census takers (most of whom are women), are making their rounds in this area calling at homes from which no census forms were mailed back and at homes from which incomplete forms were returned.

Each census taker will wear a red, white, and blue identification card. This card bears the seal of the Department of Commerce, and the words "Census Enumerator, Official Credential" are printed across its face. It bears the census taker's signature and certifies that she is authorized to perform the duties of a census enumerator and has sworn to keep confidential all census information you provide.

Persons purporting to be census takers who do not have this identification card should be reported immediately to the local police or to the census district office, which is located at 108 S. Genesee St., Waukegan, Illinois.

Census takers will be further identified by the portfolio containing their supplies. The portfolio is blue and bears the legend, "1970 Census." In the portfolio the census taker carries her supplies of report forms, maps, pencils, and other tools necessary for her work.

Page Urges Prosecution Of Vandals

Ray Page, Illinois Superintendent of Public Instruction, urged for strict prosecution of groups or students who destroy public or private property under the guise of protest.

Speaking before the state convention of the Illinois Federation of Teachers at the Sheraton-Belmont Hotel, held Friday, April 18, Page said he recommended the equalization quota be increased from \$520 to \$600, believes in keeping the schools in the hands of the people through election of a statewide board of education, and praised the state organization for its valiant efforts to establish better schools and better working conditions for teachers.

The Illinois Chief State School Officer said, "I believe that when someone objects to a certain law or regulation prescribed by the establishment, he has a right to protest peacefully and to take it to our courts. However, I believe very strongly that no one has the right to take the law into his own hands. I also believe that when a group destroys public or private property under the guise of protest, that they should be prosecuted to the fullest extent of the law. When this type of disturbance takes place in our public schools or universities, the students responsible should be expelled immediately. . . .

"I have recommended that the equalization quota be increased from \$520 to \$600. This should be of great help to our schools in meeting their financial responsibilities. I know that a higher figure would be of greater help. However, I believe that the legislature is not in a position at this time to support a larger appropriation. . . .

"I believe, as you do, that the office of the Superintendent should not be taken out of the hands of the voters. I oppose the appointment of the Superintendent by any individual. I do favor a State Board of Education elected in geographically located regions throughout the State. This Board would then appoint the Superintendent. The voters would still have control of the office."

Can you heat a castle for \$200 a year with electricity?**If it's the six-room kind you can.**

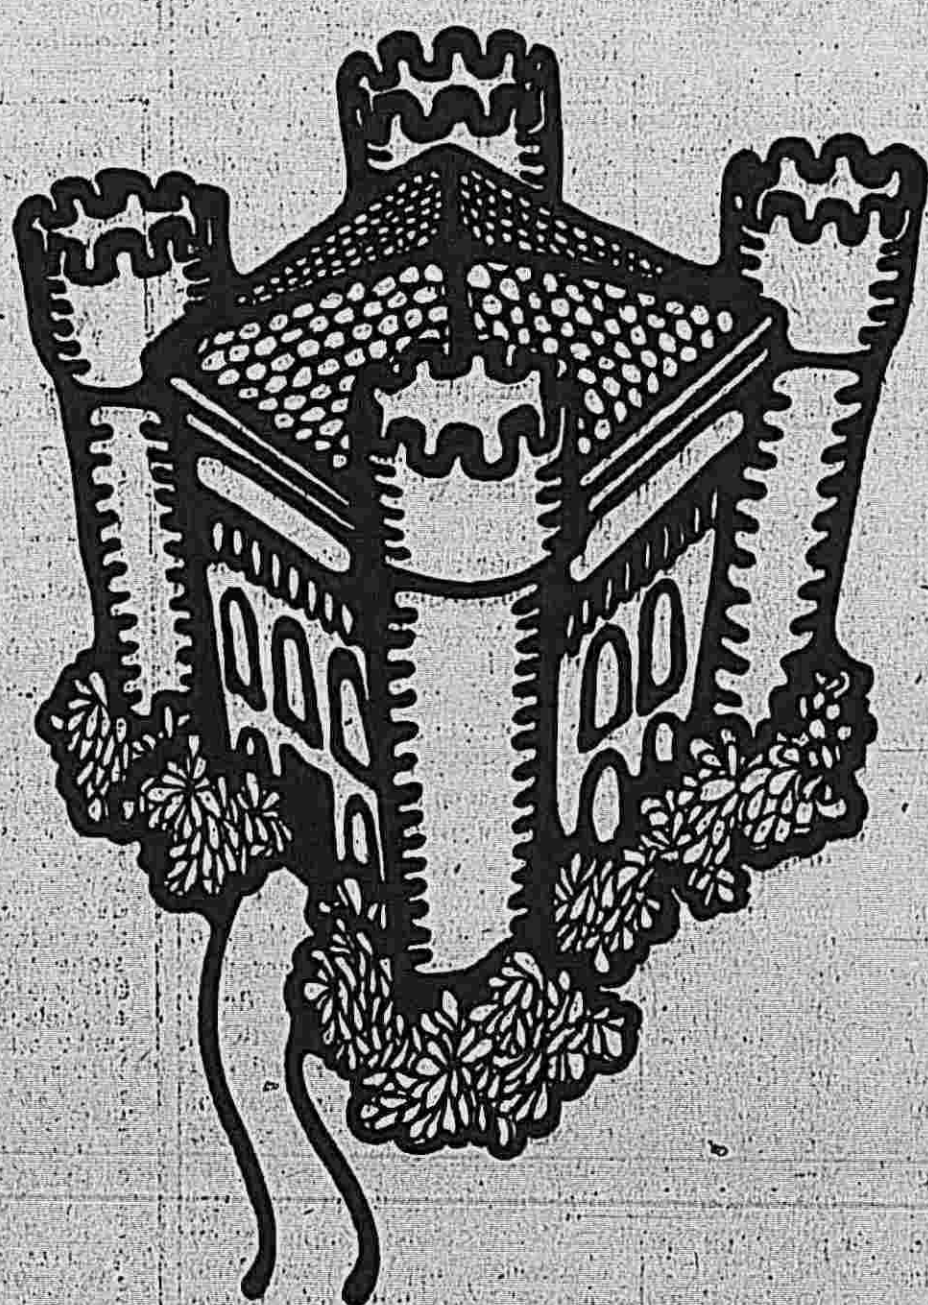

According to the old saying, that's exactly what a man's home is—his castle. And if your castle happens to be the kind most people buy, namely, the six-room size, there are some things you ought to know about electric heat.

First of all, you should know that Commonwealth Edison has dramatically reduced electric heat rates over the past ten years. What's that mean? Simply that you should expect to pay less than \$200 a year to heat an average six-room house with proper insulation.

Then, you should know there's a definite trend to electric heat. Example: Over 25,000 families in Northern Illinois are heating electrically, and more than 5,000 new families are joining them every year. That many people feel the price is small compared to the many benefits of modern electric heat.

No matter what size castle you have.

Commonwealth Edison Company

The bright new ideas are Electric.

Q&A

Antioch Nine Drops Third Game In Row

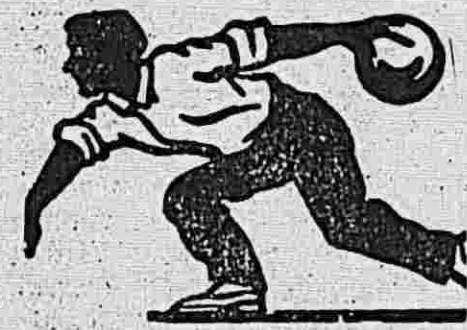

Antioch dropped its third game in a row 2-1 to the Lake Zurich Bears Friday, April 17. It was a very disappointing defeat for the Sequoias who now own a 2-2 loop mark in the Northwest Suburban conference race.

The game developed into an intense pitching duel between Lake Zurich's Steve Thompson and Antioch's Tom Martin. Thompson, a lad with a peculiar delivery, set down the sides with regularity, not yielding a single hit till the fifth inning. Mike Geiger singled with one out in that inning to ruin Thompson's bid for a no-hitter.

Tom Martin was doing a reputation job himself as he spaced three hits over the five inning stretch.

In the sixth inning the scoreless duels came to a close. Randy Lehmann reached first on an error by Kevin O'Neill. He stole second and scored on a single.

The Sequoias went down in their half of the sixth but took advantage of their last chance in the seventh. Bill Albano singled and advanced to second on a single by O'Neill. Jim Rockow came through with a single to center, scoring Albano. O'Neill was thrown out at the plate on the play and the Sequoias were re-

BOWLING

High scorer: Glen Schumacher, 127-180-162-475.

Home Orange Juice 2; Don's

with the score 1-1.

"T." Martin got Gene Ford to fly out to left fielder Bill Albano to start the perilous seventh. The next batter walked and Thompson hit into a fielder's choice. Martin again served up a free pass to the Bears' leadoff hitter. Coach Seemann talked to the young southpaw and elected to throw the ball to the centerfielder ending the game.

Thompson was the winning pitcher, striking out five and walking three. For Martin it was his first defeat against a victory. He struck out four and walked two.

Antioch started with four wins to begin the season. Now they are 4-3. The hitters are a little sluggish as the Sequoias have only managed 9 hits in the last three games.

Box score:

Antioch 0 0 0 0 0 0 1-1
L. Zurich 0 0 0 0 0 1 1-2

Carmel Whips Antioch

Antioch went down in defeat for the second time in three days at the hands of powerful Carmel High School. The Corsairs pounded-out 15 runs on 9 hits to destroy Antioch 15-2.

Antioch was in trouble from the start. Bill Albano started the game for the Sequoias and was jumped on for two runs. He made his exit with two out and two men on base. Jim Rockow came on to retire the side but not before three more runs crossed the plate. Antioch countered in the second

with two runs. Bob Jarvis and Kevin O'Neill doubled and Ken Vos singled to account for the runs. Rockow retired the side in order in the second. The third inning brought more grief however, as the Carmel hitters lambasted the Sequoias with six runs.

Bruce Rush came on in the fourth inning and escaped with allowing just a single run. Carmel added three more candles to the cake in the fifth with three runs. The game was called after the fifth. The final count showed

Carmel in from 15-2.

Bill Albano took the loss, his first of the year. Ken Laube looked sharp taking the win. He pitched a three hitter, giving up no walks.

Antioch 0 2 0 0 0 x x-2
Carmel 5 0 8 1 3 x x-15

MONDAY NIGHT TAVERN

LEAGUE, APRIL 20

The Angels clinched the Trophy and won three games from Helvetia Hotel on a very fine performance from Eddie "Angel" Lindstrom on his games of 211-192-245-648 which was high for the league for the evening. Jim Portalski rolled a 192-535 for Helvetia. The Angels also rolled the high series for the evening on games of 937-681-900-2718.

Maggie & Bob's of Lake Villa took second place by taking three games from Wally Johnson's Petite Lake Resort. Chuck Schuth 224-574 on Maggie's and Glenn Fox finishing the season with a rousing 174-470 for Johnson's.

Third place went to Old Hickory Inn, paced by Fred Saffo who rolled a fine 202-583, who took high individual average for the league (182) with Old Hickory winning three games from Mr. Ed's Tavern. John Benes rolled 210-534 for Mr. Ed's Tavern.

George Hueckstaedt, who led the league on average for the most of the season lost out on this night to Fred Saffo while his Fiddler's Green team won two games from Kemp's Tavern. Ken Novak (109-567) was high for Fiddler's and Paul Heath 235-593 on Kemp's Resort.

Red Arrow which was in second place, dropped to 6th place by dropping a pair of games to Paty's Lounge. Joe Muskat rolled 209-513 for Red Arrow and Cliff Crittenden was high with 198-506 on Paty's.

Roy's Shady Nook, which was the surprise team of the league, finally lost three games to Open Door Tavern, and dropped to eighth place. Eddie Mesko (173-467) for Shady Nook, and "Blue" Harris (200-585) rolling a fine series on Open Door Tavern.

These are the final standings for 1969-70 season for the Monday Night Tavern League. The banquet will be held at The Helvetia Hotel in Fox Lake on April 27th at 7:00 p.m.

BANTAMS

APRIL 11

High team series: State Bank of Antioch No. 4, 793-806-1599.

High scorer: Walter Anderson, 121-139-260.

Speedway Schedules 3 Programs

With the cooperation of the weatherman, the Waukegan Speedway has scheduled three programs for this coming weekend. Open competition modified stock car races are slated for Friday night and the late model super stocks will race on Saturday and Sunday. Both the Friday and Saturday races will have 50 lap main events.

The Speedway has completed only two of the four nights of racing scheduled thus far in April. The action was hot, but the temperatures cool as Ray Young of Dolton won the opening feature on April 12 and Jim Cossman of Waukegan turned in a "clean sweep" April 18.

Friday's special modified race will be the first night of modified action in this part of the country with a large entry field expected. A 50 lap championship event will headline that card.

Modified, semi-super modified and super modified type race cars are eligible for Friday's open competition events. Among the early entries are Bob Ensminger of Burlington, Iowa; Bill Stetson of Memphis, Mo.; Roger Von Otto, of Burlington, Wis., and Whitley Harris of Lake Villa, Ill.

Saturday's late model races will be the April Championship for the late model super stocks with a 50 lap main event on tap. Eighteen cars will be starting the distance event with Cossman and Young solid favorites. Last Saturday Cossman shattered the one lap mark with a 14.45 lap beating both the late model and the modified mark. Cossman drives a Chevelle.

Sunday's late model races will round out the April events with a 30 lap feature slated. Hobby stock races will complement all three programs. Time trials will start at 7 p.m. for all the events with the first race going to the line at 8 o'clock.

The Waukegan Speedway is a quarter mile, semi-banked, asphalt track located ¼ mile east of Rt. 41 on Washington St., near Waukegan. The track's weather phone is 312-662-8200.

'Funny Cars' To Headline Dragaway

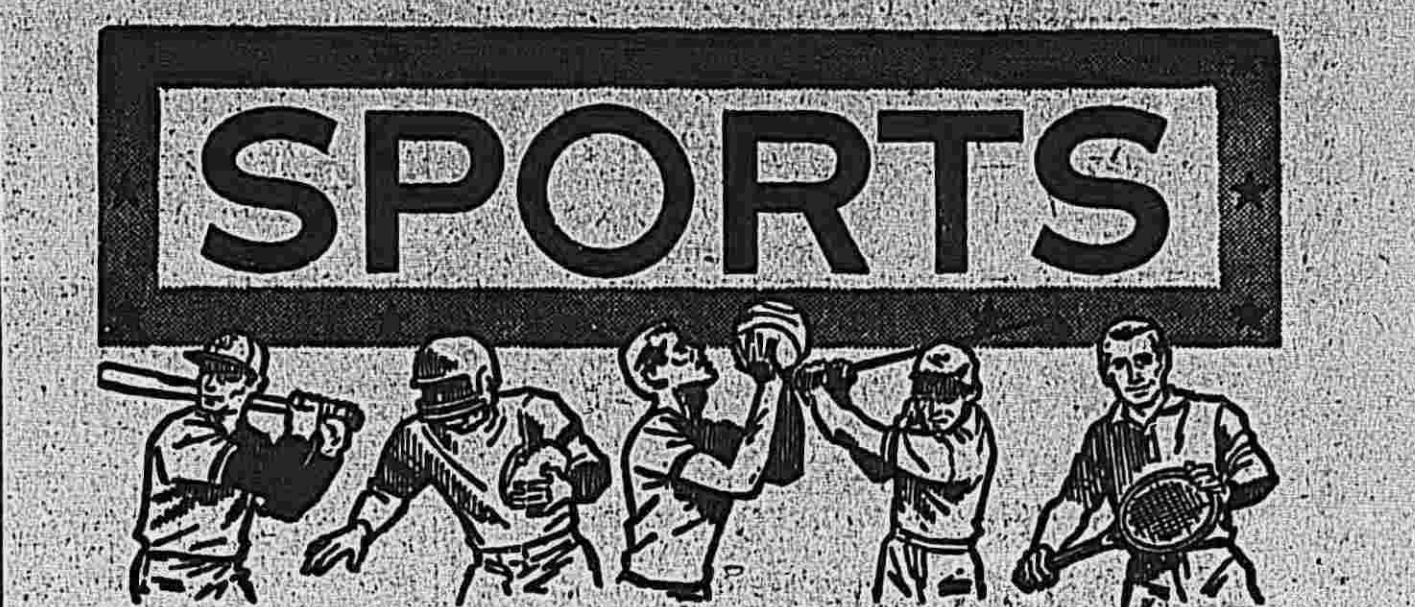

The supercharged, 200 mph funny cars will headline the races this Sunday starting at 2 p.m. at the Great Lakes Dragaway.

They will compete in a factory, invitational meet with each car racing every other make of car. Points will be awarded to the winners of each race and to the low elapsed time and top speed of each round. The factory team with the most total points will be adjudged the winner. There will also be an individual points winner. The top drivers of the major manufacturers were invited to race in this meet, the first of its kind ever held at the Union Grove, Wis., dragstrip.

Driving Chevrolet Products are Mike Burkhardt of Dallas, Texas; "Jungle Jim" Liberman of Los Angeles and Hank Clark of Chicago driving the "Chapman Camaro". Dodges include Kenny Safford of San Diego driving "Mr. Norm". Pat Minnick of Chicago with the "Chi-Town Hustler". Larry Reyes of Honolulu driving Roland Leong's "Hawaiian" and Al Fontanini of Glenview, Ill. this year driving a supercharged funny car.

Ford Products are headed by Dave Powers of Dubuque, Iowa; Bob Veselka of Austin, Texas with his "Goin' Texas Mustang" and Dick Locher of Detroit, Mich. Making up the Plymouth team are Miss Paula Murphy of Los Angeles; Don Schumacher of Highland Park, Ill.; and Chris Karamesines and Cliff Zink, both of Chicago; Dick Bourgoise of California will pilot the Javelin of Doug Thorley and Arnie Beswick of Morrison, Ill., will drive a GTO.

Grudge racing will be held as usual Saturday from 6 to 11 p.m.

THURSDAY, APRIL 23, 1970

THE ANTIOCH NEWS-8

Scouts Victors By 3-1

By Neil McKenzie

Antioch dropped its first ball game of the year 3-1 to Lake Forest Tuesday, April 14. Superb pitching highlighted the game as both pitchers hurled two hits.

The Scouts' pitching ace, Bob Olufs, was a little sharper through the seven inning stint, giving up only two walks. Mike Sticker started for Antioch and pitched a fine game. His wildness, however, cost him as he walked 8 men.

The Sequoias began the game on the wrong foot. The first batter was given a free pass, and advanced to second on an error by

the catcher. A ground ball allowed the runner to move to third where the inning stalled. The second inning started as the first. A walk, two passed balls and a sacrifice scored a run for Lake Forest.

Antioch was blanked through the first five innings. Chip Gross singled with two out in the third but Olufs had complete control all of the way.

Lake Forest added another score in the fourth. Three walks and a single provided the run. An insurance run in the sixth capped the scoring for the Scouts. Again the story of wildness took its toll as the run was scored on a walk,

wild pitch and a single.

Antioch scored in their half of the sixth. Chip Gross walked and stole second. Bob Jarvis singled him home to break up Oluf's shut-out.

Lack of hitting and too many walks sunk the Sequoias who are 4-1 on the season to date. Antioch managed two hits, a single by Gross and a single by Jarvis.

Cossman Dominates Saturday Racing

Hometown favorite Jim Cossman of Waukegan completely dominated Saturday night's races at the Waukegan Speedway in the late model division. Cossman turned in a rare "clean sweep", winning the feature, a heat race and setting fast time. Sunday's events were cancelled due to day-long rain.

Cossman's showing Saturday established him as the favorite in next Saturday's 50 lap late model April Championship race at the Waukegan track. Cossman now leads last year's champ, Ray Young of Dolton, by four championship points.

Once again cold weather and high winds prevailed. Cossman, who had just broken the one-lap track record last Sunday, came back to establish a new mark Saturday with a blistering 14.45 lap. Besides being a new late model mark, this time beats the modified asphalt record by .03 second.

Golf Tourney Scheduled For June 19

Chicago qualifying rounds for the National Public Links Golf Tournament at Chicago have been scheduled at the Cog Hill Golf Club, Lemont, Ill., on Friday, June 19, 1970.

The announcements was made today by Julio Campagni of Highland, United States Golf Association Representative, and chairman of the Chicagoland qualifying trials. The National Tourney will be held at the Cog Hill No. 4 Course, Lemont, Ill.

Campagni's goal is to attract an entry of approximately 200 for the trials at Cog Hill, where the qualifying play will consist of two 18 hole rounds. Two courses of the Cog Hill Club will be used. All entries will play one round on each course.

Campagni says, "The objective of the local committee is to send a squad of possibly seven or eight players to the National Public Links Tourney Site." The number of berths allotted each qualifying site, however, is dependent on the size of the field. A strong field at Cog Hill will guarantee at least eight places."

All golfers who do not hold membership in a private club and are amateurs in good standing, are eligible to compete. Entry blanks can be obtained from Campagni, who can be reached at 312 Ashland Avenue, Highland, Illinois, or by phone at ID 2-6913.

Last year's National was held at Erie, Pa., and the winners in the Chicagoland trials were: James Waring, Westmont; Peter Friedes, Lake Bluff; George Casano, Hillside; Mark Shaw, Chicago; Robert Peterson, Des Plaines; Dennis Cushman, Chicago; Dewey Lewis, Chicago.

The chairman emphasized that the entry deadline of May 27, will be strictly adhered to. An entry fee of \$10 per golfer must accompany each entry. \$5.00 entry fee USGA, and \$5.00 greens fee.

It's easy to place a classified—Just dial 395-4111.

Grade School Wrestling

ANTIOCH, ILL. 60002

Businessman Ray Jenssen

The Ray Jenssen family consists of, from left, his wife, Elizabeth, Ray, and daughter, Diane.

He has been a small store owner, 1941-42, large chain store clerk, (National Tea Co. 1946), assistant-store manager A&P Co., in Antioch, and a manager of the Woodstock A&P.

At present he is the owner of two large sporting goods and sports wear stores.

This is a story of a very hard-working, industrious, and happy man named Raymond Jenssen.

I am sure he did not plan all this back in 1946 when he came to Antioch to work for the National Tea Co., nor was this the dream for him from 1942 to 1945 when he served in the Navy, again as a store keeper, but this seemed to be the destiny for Ray no matter what.

He even met the now Mrs. Ray Jenssen, while she was working at Jo-Pat's, but it wasn't until after the war in 1947 that Ray and Elizabeth became man and wife.

The fact that Ray decided to come to Antioch and build his life here has been good for both him and Antioch. He is one of the driving forces in the Chamber of Commerce helping to make this town grow and grow in the right way. He feels the community is going to grow.

In fact, he feels we are going to experience a large growth in the next few years. Ray said that the town is ready for this growth and that the business men of our community are prepared for it.

As a business man he feels this is a solid community, one that all can be proud of. He feels that the people of this town do a good job of supporting the town businessmen and help make this a

good place to live and work in.

Ray, his wife Elizabeth and their daughter Diane are members of the Millburn Congregational Church and have been so for twenty years. He is an active member of the local Lions Club and has been the chairman of the annual Lions Candy Day. He is also one of the directors of the Hastings Y.M.C.A. camp and one of the board of directors of the First National Bank of Antioch.

Ray and his family find a great deal of pleasure in traveling. Last summer the family went to Europe for a trip and found it to be one of their most enjoyable vacations. Ray himself enjoys golf in the summer, which he has played since he was in high school, and bowling during the winter.

On the sporting scene he feels that hunting in this area is almost a thing of the past, and only will be active in private game areas, but he does feel that with improvement in the controls on pollution fishing will remain good in the area.

Ray and his fine family have been strong supporters of our local schools and both he and his wife feel Diane has received a good education and now is ready for college.

Ray Jenssen, a very successful businessman and an outstanding member of our community must not be a firm believer in the old saying "Opportunity Knocks Only Once", for he has taken all the opportunities that have presented themselves and over the years has grown, as Antioch has, into one of its outstanding community members and businessmen.

Story and Photos

by

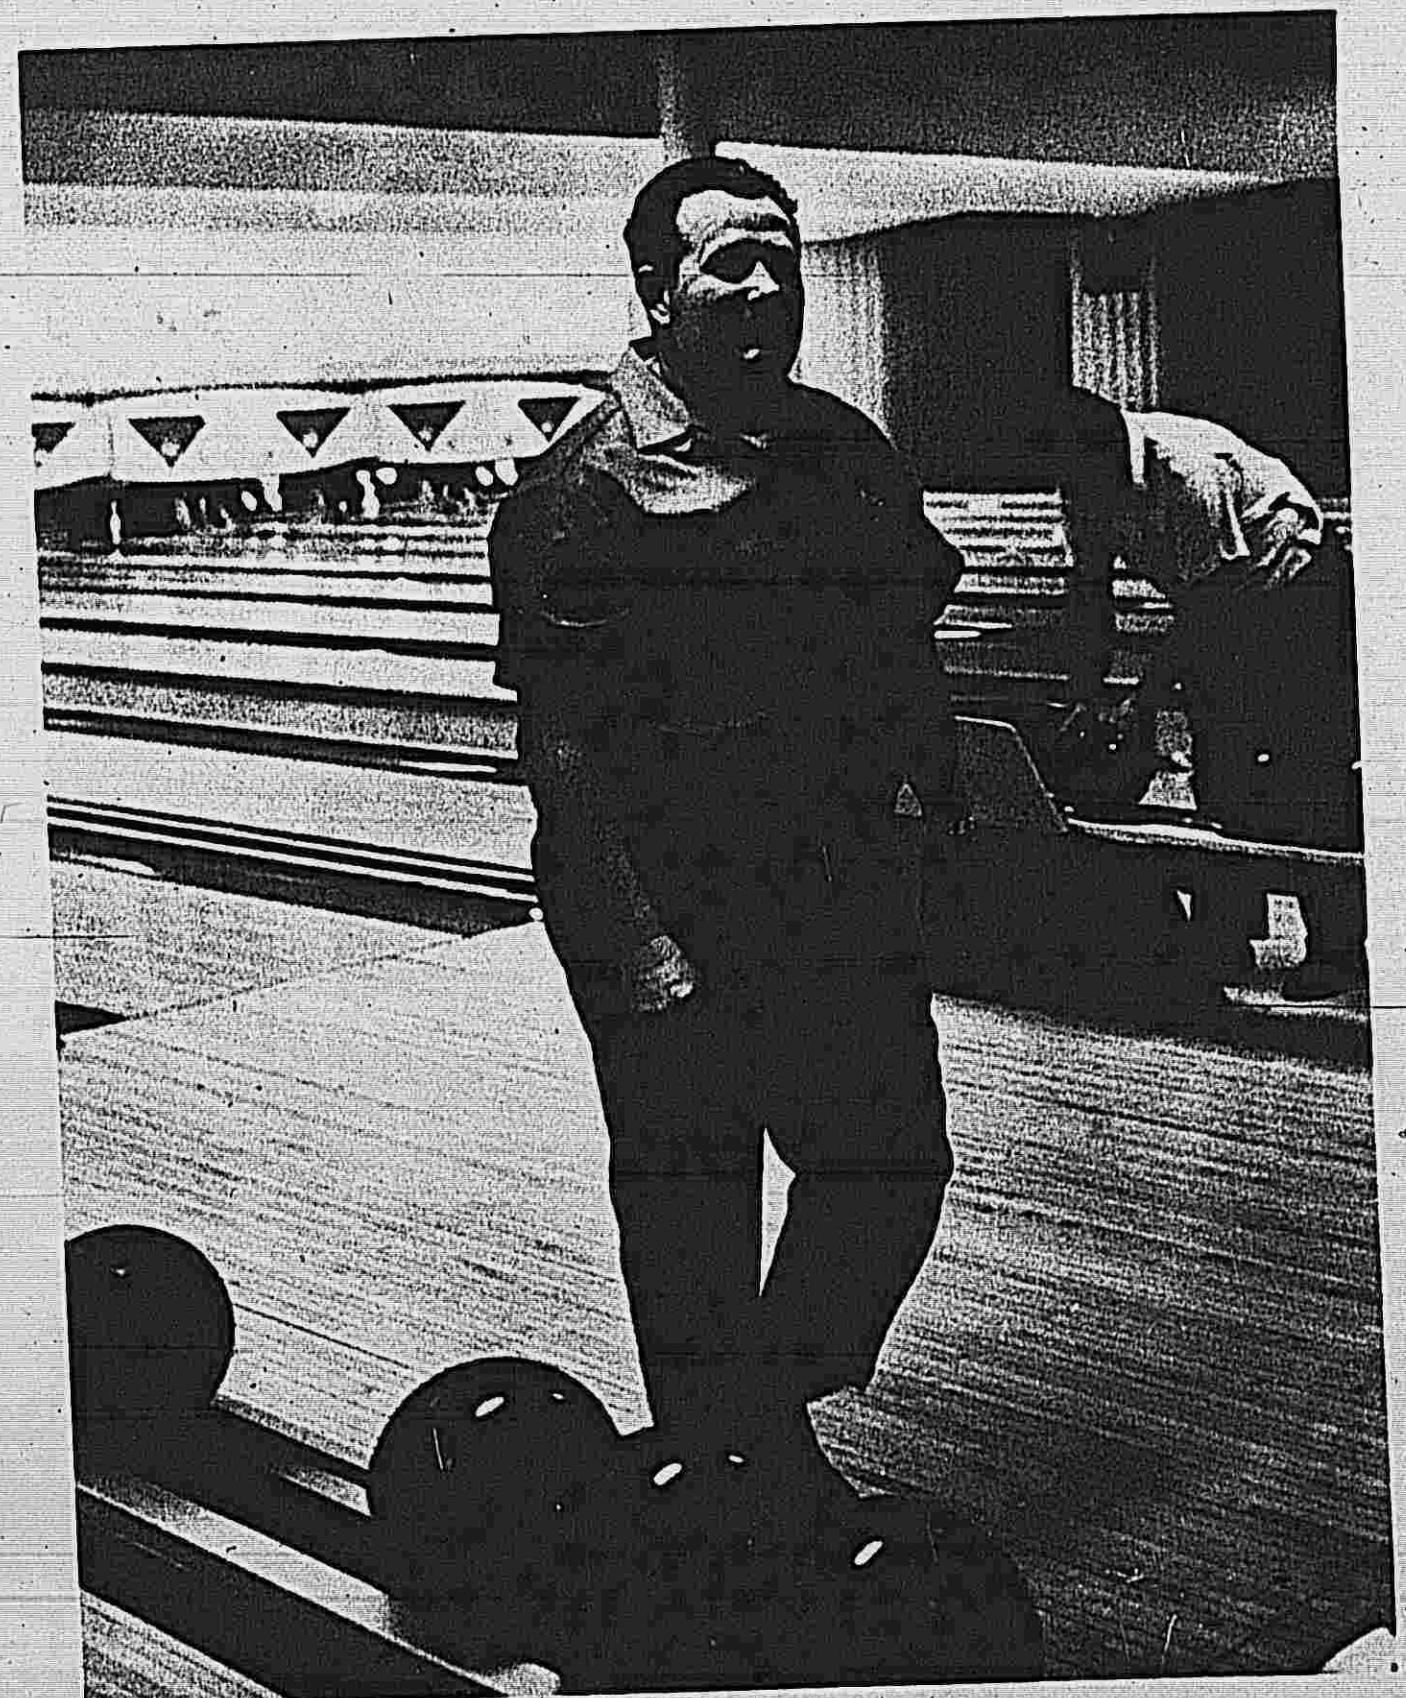

Joe Rush

Legion Auxiliary Gives Essay Awards

By Del Jahneke

At the recent meeting of the American Legion Auxiliary, held in the Antioch American Legion Home, the Americanism essay contest winners, and their families, were present.

Mrs. Walter Hills, Americanism Chairman, introduced each winner, who then read their essay. Each winner received cash awards from the Auxiliary.

Mary Paluske, St. Peter's Catholic Grade School, won first

place; Ken Kane, Oakland Grade School, was second; and Frances Collette, St. Peter's School, third. Three of the 10th District Auxiliary officers were honored guests. They were Mrs. Robert Broege, Deerfield, District Vice President;

Mrs. Joseph Hogue, Waukegan No. 281, District Historian, and Mrs. Everett Ainsworth, Lake Forest, District Sergeant-at-Arms.

Mrs. Broege gave a brief talk on membership, and how vital good membership is in maintaining rehabilitation and other auxiliary programs. The Antioch Unit is lagging behind in membership this year, and urges members to send in their renewals as soon as possible.

Mrs. Joseph Horton, Foreign Relations Chairman, told the Unit some fascinating facts concerning Nicaragua, the country the entire American Legion Auxiliary is studying this year.

The National Auxiliary's goal is the monetary construction of some sixty badly needed classrooms.

The Antioch Unit made a contribution to CARE-MEDICO, for Nicaragua.

Reports on the state Patriotic Conference were given by Mrs. Roy Rahmann, Mrs. Bernard DeVries and Mrs. John W. Horan, who represented the Antioch American Legion Auxiliary.

Mrs. Rahmann, President, conducted the meeting. Refreshments were served by Mrs. Robert Dunlap, Jr., and committee.

Mrs. Richard Brady, Gurnee, District Junior Past President, reports that the 10th District's Annual Past President's Parley Dinner Party meeting will be held on Thursday, May 7th, at the Northern Chalet Restaurant in Libertyville at 6:30 p.m.

Reservations and money must reach Mrs. Arthur Walker, 145 North Garfield, Mundelein, by May 2nd, deadline date.

The past president's parley program has three purposes. Past presidents were first organized to provide benefits and small luxuries for hospitalized and handicapped ex-service women. This program provides nursing scholarships for eligible high school graduates.

Sixteen young people received \$375.00 nursing scholarships last year. It is hoped that with greater contributions, more scholarships can be given this year.

The Illinois American Legion Auxiliary yearly donates the sum of \$1,500.00 for the maintenance of the Veteran's Craft Exchange. This Exchange exhibits and sells handicraft of disabled veterans, at no profit to the Auxiliary. In addition, the 10th District Auxiliary sponsors a picnic for Downey Hospital patients in August, and purchases creature comforts for the women patients.

Mrs. Bernard Stadick is the Antioch Unit Junior Past President.

Steel Imports Priced Up

New York — (HK) — Foreign steel producers are shipping increased tonnages of expensive alloy and tool steels into the United States this year, even though their total shipments of steel mill products are down from a year ago.

American Iron and Steel Institute reported that imports of alloy and tool steels through August totaled 231,000 tons, an increase of 32 percent over the 175,000 tons shipped during the first eight months of 1968.

Mrs. Walter Hills, from left, Americanism chairman of the auxiliary, presents awards for essays to, Ken Kane, 2nd prize Frances Collette, 3rd prize, and Mary Paluske, 1st prize.

District officers who were guests of the Antioch American Legion Auxiliary when the awards were presented included from left, seated, Mrs. Everett Ainsworth, Lake Forest, district sgt.-at-arms, Mrs. Robert Broege, Deerfield, district vice president, standing from left, Mrs. Roy Rahmann, Antioch unit president and Mrs. Joseph Hogue, Waukegan, district historian.

Antioch Mayor Raymond Toft signs proclamation for Mrs. Edmund Vos, member of the board of directors of the Lake County Mental Health Association, proclaiming May 3 - 10 as Mental Health Week.

Increase Educational Allowance For Vets

More than 777,000 veterans, servicemen, wives, widows and children will receive increased educational allowances under a bill signed recently by the president. All trainees under the G.I. Bill and other VA educational programs were assured by Donald E. Johnson, Administrator of Veterans Affairs, that they will receive the increases automatically and retroactive to Feb. 1. He stressed that it is not necessary to contact the VA to receive them.

Johnson said most of those studying under the G.I. Bill in institutions of higher learning will receive one check about May 10, which will reflect the new regular monthly rate, and include retroactive increases from February through April.

Veterans studying below college level, including apprentice, on-the-job and cooperative trainees, must certify their attendance to the VA every month to be eligible for education allowance payments.

The VA Administrator said this group also will receive one check around May 10 at the new rates, including the retroactive increases, providing their attendance has been certified through April.

However, the VA official explained that some trainees below college level will receive pay adjustments in two checks, because the VA will not receive their monthly attendance certifications in time to include the increase in the first check.

The VA chief added that veterans training under the vocational rehabilitation program will receive their increased educational allowances in early June.

Information on the group is not computerized and all processing will have to be done individually, requiring more time, he explained.

Again, he emphasized that there is no need to contact the VA to receive the checks.

He also noted that special arrangements are being made to pay those who were in training on Feb. 1, but who are no longer in training.

Administrator Johnson gave these details on the statute itself (PL 91-219):

It increases from \$130 to \$175 a month the rate for single G.I. Bill veterans studying in an institutional full-time program.

A veteran with one dependent will receive \$205 a month, two dependents \$230, and \$13 for each additional dependent. Rates are scaled downward for less than full-time students.

Single G.I. Bill students going three-quarter time will receive \$128 a month, \$152 with one dependent, \$177 with two dependents, and an additional \$10 a month, for each additional dependent.

Half-time G.I. students will receive \$81 if they have no dependents, \$100 with one dependent, \$114 with two dependents and an extra \$7 for each additional dependent.

The rate for a single veteran under the vocational rehabilitation program was increased from \$110 to \$135 a month for full-time students. A veteran with one dependent will receive \$181 a month, two dependents, \$210, and \$6 more for each additional dependent. These rates are also scaled downward for less than full-time students.

For wives, widows and children

receiving allowances under the dependents educational assistance program, the new monthly rates for full-time students are \$175, three-quarter time students \$128, and half-time students \$81.

The new law also sets up special programs for servicemen with educational handicaps. One, the predischARGE education program, pays for a schooling of educationally disadvantaged servicemen before discharge without charge to their earned basis entitlement.

In addition, the law provides for an intensification of VA's "outreach" program to contact and counsel veterans, widows, and children of certain disabled veterans about government education and training opportunities.

Administrator Johnson urged veterans interested in applying for education or training benefits to contact their nearest VA office now for a certificate of eligibility.

New Developments Help Injured Vets

New developments in artificial limbs and their fitting are helping the Veterans Administration ease the way to recovery for many combat injured veterans, according to Walter J. Piotrowicz, Orthopedic Shop Supervisor at the Hines, Ill., Veterans Administration Hospital.

The prosthetics and sensory aids expert, who recently attended a conference at the VA Prosthetics Research and Development Center in New York, April 13-15, said that a VA-developed technique for fitting artificial limbs immediately after surgery has been widely accepted in local and international medical circles.

The new amputee, while still on the operating table, is fitted with a temporary artificial limb which permits weight bearing soon after surgery.

A new rubber-like synthetic, balata, used for shaping limb sockets, was demonstrated at the conference, he said. The rapid-forming material is applied directly to below-the-knee amputations to form a socket.

The present system requires a plastic cast, developing a master mold and then formation of the socket.

Another advance in the field of prosthetics during the past year

is the "swing and stance" knee joint for artificial legs. Adopted this year for prescription distribution to qualified veterans by VA prosthetic centers, the device permits an amputee to descend stairs and hills smoothly, walk gracefully, and greatly reduces the danger of falling.

For the blind, VA is continuing its evaluations of a laser cane which warns the blind user of obstacles it "sees" by sending out laser beams. When an obstacle is detected above, below or to either side of the user's path, the cane gives either an audible signal, or a vibrating signal to the hand, which tells the location of the obstacle.

The laser cane is under test at VA's West Coast Blind Rehabilitation Center in Palo Alto, Calif. It will not be available for issue for several years, however.

Highlights of the future presented at the conference, included devices which may eventually help the patient with paralyzed arms and hands. Carbon dioxide charges and miniature electric motors run by rechargeable batteries were demonstrated which may be used in the future as "synthetic muscles" to operate hands and to brace limbs for paralyzed patients.
